

STRIKE NEW NOTE OF CO-OPERATION

House Committee Expresses Appreciation of Wil- son's Confidence

ADOPT KAHN RESOLUTION

Believe Army Bills Will Repre- sent Effort to Make War De- partment Plans Effective

COMMITTEES END HEARINGS

WASHINGTON, Feb. 11.—A new note of harmony and co-operation on national defense problems was struck in the house military committee today as a direct result of the resignation of Secretary Garrison of the war department. It found expression in the adoption of a resolution declaring the committee's appreciation of the confidence President Wilson reposed in it and in the senate committee, as disclosed in his correspondence with Mr. Garrison.

Republican Offers Resolution. The non-partisan character of the feeling was emphasized by the fact that the resolution was offered by Representative Kahn of California, ranking Republican member of the committee.

Members of both the congressional committees declared that the war secretary's withdrawal had brought out sharply the presidents desire that congress should work out its army problems in the light of its own best judgment, despite his personal preference for the continental army scheme advocated by Mr. Garrison and the army war college. The next result, they agreed, was a clarification of the congressional atmosphere and the assurance of support for the bills that will be drafted from elements of both the Democratic and Republican sides that had heretofore been counted against the measures.

In substance it is believed the bills will represent an effort to make effective virtually all of the plans of the war department with the exception that federalization of the National Guard will be sought as a substitute for the continental army plan. Final steps toward beginning the drafting of the measures were taken today by both house and senate committees. Both will take up the work Monday and it is planned to hold all-day sessions whenever possible.

House Committee Ends Hearings. The house committee brought to a close today public hearings on army plans and ordered an elaborate index of the voluminous testimony prepared. Similar steps were taken by the senate committee.

Present indications are that the house bill will lay its stress upon provisions designed to federalize the national guard while the senate committee's main effort will go into the regular army angles of preparedness plans.

The final measures sent to the president for his signature will be a compromise, it is thought.

The house bill, it is expected, will provide for payment of national guardsmen who comply with all regulations laid down by congress on a basis sufficiently liberal to insure the recruiting of approximately 400,000 men, the ultimate size of the proposed continental army. To make certain the availability for federal use in time of great emergency of all men who participate in this payment, the plan contemplates authorizing the president to draft them into a volunteer army.

Members of the committee are very unanimous in the opinion that congress has full constitutional authority to enact such a measure and that it can be so formulated as to withstand any attack thru the courts.

The system of regulation contemplated is of a broad character designed to provide for the training and discipline of the guardsmen in peace times in a way that will insure efficient organizations for volunteer war service. Only the administration of the law would be left with the war department.

Provision will be made under which the quota of troops to be furnished by each state and the proportions of artillery, cavalry, engineers, signal corps and other special service troops would be determined by the war department.

The situation in the senate committee is not so well crystallized. It is indicated however, that its legislation for the regular army will include substantially all of the plans of the war college as to organization and that it will be accompanied by a regular army reserve act designed to build up and maintain a force more than equal in number to the force with the colors. Short enlistments with the colors and the discharge to the reserve of any man found efficient by his officers at the end of a year's training undoubtedly will be among the plans proposed to accomplish this end.

May Exceed Increase Asked. As to the size of the standing army

ROOSEVELT PREFERENCE OF THREE CANDIDATES

TWO WOMEN FILE PETITIONS FOR CANDIDATE TO CONVENTION

Complete Slates for Sullivan and Anti-Sullivan Candidates Are Filed in Official Filing List Public Today.

Springfield, Ill., Feb. 11.—Theodore Roosevelt was declared to be the preference of three candidates for delegates to the Republican national convention in petitions filed here today with Secretary of State Lewis G. Stevenson. Two of the men, Edwin Winter and Samuel P. Longstrech, are from the eighteenth district, the home of Uncle Joe Cannon, and the other is John McCabe of the sixth district.

Two women, Anette Fitch and Marian H. Drake of the first district, filed petitions for delegate to the National convention without preference it was learned unofficially tonight.

In the Chicago districts complete slates of Sullivan and anti-Sullivan candidates for delegates were filed and in many of the downstate districts opposition slates will be in the field.

Sherman backers in the fifteen downstate districts filed a complete slate while in Chicago the cleavage lines are drawn between the Sherman-Deneen-Brundage crowd on one side and the Thompson faction on the other.

Robert E. Burke, former county leader, filed a petition as candidate for delegate at large. He did not declare his preference and will go to the convention, if elected untrammelled by any promises.

Secretary of State Stevenson announced tonight that the official filing list would not be made public until tomorrow.

OFFICIAL REPORT STATES ALLEGED HEAD OF TEXAS REVOLT IS IN JAIL

Pizana Has Been Held Responsible for Much of the Border Troubles and General Unrest Last Summer and Fall.

Brownsville, Tex., Feb. 11.—An official report today to Colonel A. P. Blockson, commanding the border patrol, from Mexican officials at Matamoros, Mexico, stated that Antonio Pizana, alleged leader of the Texas revolution, had been captured and was now in jail at Matamoros. Pizana has been held responsible for much of the border troubles and general unrest last summer and fall. The report said he had been captured Thursday.

Four other alleged Mexican bandits were also taken and all are in the Matamoros jail.

The request for the arrest of Pizana and his alleged partner, Luis de la Rosa, were made some weeks ago by Governor James F. Ferguson of Texas on the governor of Tamaulipas, Mexico. County officers, who held warrants for the men, had given up hope of apprehending them. A reward of \$1,000 had been offered by the state of Texas for the capture of either of the alleged leaders, dead or alive.

Both men are supposed to have been in Mexico since last September, from where it is alleged they directed their raids on the American side of the border. It was at Pizana's farm, about 25 miles northeast of here, the first fight between Mexicans and United States soldiers occurred. That was in August. Shortly afterwards Pizana disappeared, supposedly going to Mexico, but it was believed he had been seen on the American side since.

According to the Mexican consul here Pizana may be tried in Matamoros, and if the evidence justifies he probably will be turned over to American authorities.

FINDS CULINARY DEPARTMENT OF CLUB GENERALLY UNSANITARY

CHICAGO, Feb. 11.—Dr. Walter W. Armstrong, head of the food bureau of the Chicago health department, after making an inspection of the kitchen of the University club today, where the food was prepared for the banquet given Archbishop George William Mundini last night, when 100 guests were suddenly taken ill from poison, reported that he found the culinary department of the club "dirty, dirty and generally unsanitary."

He said the floor of the kitchen was covered with soiled sawdust and that the tables were dusty and greasy. The copper tanks in which the soup was prepared were found to be worn and had been tipped and the bottoms of the tanks were corroded, according to Dr. Armstrong.

Samples of the various foods served at the banquet are being analyzed in an effort to determine what caused the illness of the guests.

FIGHT IS CALLED OFF

Chicago, Feb. 11.—The fight between Miburn Saylor and Ever Sumner, scheduled for East Chicago tonight, was called off after several hundred persons had appeared to board a special train for the suburban town. Word from Prosecuting Attorney J. A. Patterson of Lake county, Indiana, was the cause. The fight originally was scheduled for Gary, but the authorities there refused to permit it. Promoters thereupon announced it for East Chicago. Patterson said there was no objection to boxing events, but there was decided objection to prize fights being staged by Chicago promoters.

CHARGE SIX WITH ST. PAUL ROBBERY

Three Men and Three Women Are Arrested in Chicago

FIND REVENUE STAMPS

Papers Found on One of Pris- oners Suggests Connection With Canadian Bank Robbery

TO ARRAIGN PRISONERS TODAY

CHICAGO, Feb. 11.—Three men and three women, alleged to have blown open the vault of the United States collector at St. Paul on January 6, and to have escaped with \$37,357, were arrested here today. Certain papers found on the person of one of the prisoners suggested connection with the robbery of the New Westminster branch of the Bank of Montreal.

To Arraign Prisoners Today. The arrests today and the recovery of two trunks full of revenue stamps was said by Michael L. Igoe, of the United States district attorney's office here, to be the most important made by federal agents in 7-2-25. Mr. Igoe will arraign the prisoners before a commissioner tomorrow and said that bonds of \$100,000 would be demanded in each case.

The prisoners, who live in Chicago, are Michael J. Flannigan, saloon keeper, and wife; Edward Leonard, alleged ex-convict, and wife; John J. Zack and wife.

The St. Paul robbery engaged men, revenue agents, private and municipal detectives of a number of cities. The stamps were negotiable and every wheel in the government machinery was set going for their recovery. It is believed the two trunks contained most of the booty. The stamps ranged in denominations from one cent to \$500.

The alleged solution of the case started when several of the secret service men came to the conclusion that the robbery suggested the Canadian bank looting. In this connection it was recalled that Flannigan was arrested on the charge of passing money thought to have come from the bank. He cleared himself of the charge, but not of suspicions of detectives working on the case. Work began with the shadowing of his home and saloon at Kedzie street and Archer avenue. Two trunks, said to have been those recovered, were brought to the house by Leonard. The booty, it is alleged, was brought from St. Paul in an automobile.

Watch House All Night. Detectives and secret service men watched all last night outside Leonard's home and that of Flannigan and then made the arrests.

Mrs. Leonard and Mrs. Zack are said to be sisters and the Zacks owe their arrest to the fact that 6-year-old Evelyn Zack was visiting "Aunt" Leonard when the Leonards were arrested.

The little girl could not give her own address, except that it was on the north side. Detectives named street after street until "Lincoln avenue" caught the child's memory and she said "that's it."

She was taken to the street and walked with detectives until she recognized her abode.

At this place, it is said, that several packages of the stamps were found wrapped in bundles, as if for shipment. They were concealed in the flooring. Express receipts on the New Westminster office of an express company were regarded as a possible clue to the bank robbery mystery.

A fourth man was being looked for tonight in connection with the stamp robbery.

ARMS SELF WITH REVOLVER ON TRIP TO CHICAGO; IS ARRESTED

CHICAGO, Feb. 11.—"Talk down home" about daring robberies Chicago prompted Daniel J. McCarthy, of Bloomington, Ill., to arm himself with a revolver when he came to Chicago, he told Judge Arnold in police court today. McCarthy was arrested for carrying concealed weapons when detectives found a revolver in his possession.

"Nobody ever thinks of coming to Chicago from Bloomington without a revolver," said McCarthy, when he was arraigned. The charge was changed to one of disorderly conduct and a small fine imposed.

CLOSE GREENVIEW POSTOFFICE

Springfield, Ill., Feb. 11.—The post-office at Greenview, Menard county, was closed today when the state board of health learned that the postmaster was suffering from smallpox. The official worked yesterday, however, and the authorities feared the disease may develop in many homes in Menard county. Dr. C. St. Clair Drake telegraphed to the postoffice department at Washington today for permission to destroy supplies and stamps at the closed postoffice.

TELEGRAPHIC BRIEFS

SPRINGFIELD, Ill., Feb. 11.—State Auditor Brady today appointed J. W. Purke of Chicago to serve as bank examiner at Chicago to succeed P. V. Harkin, who resigned to enter the federal service. Fred Tufts of Centralia, Ill., was named an examiner.

BLOOMINGTON, Ill., Feb. 11.—S. H. West, a former member of the legislature, was the victim of pickpockets here today, losing a certificate of deposit for \$11,900 and \$175 in currency.

MOLINE, Ill., Feb. 11.—Elmer Gabrielson of the firm of Gabrielson & Soderberg, lively stable proprietors of Orion, blew his head off with a shotgun in his place of business this morning. He was 49 years old, unmarried and a son of pioneers in this vicinity.

OTTUMWA, Ia., Feb. 11.—An hour after she had been granted a divorce from Carl Morgan, Miss Wanda Morgan of this city secured a license and married R. A. Roberts. Her second husband waited outside of the court room and accompanied the woman to the clerk's office.

OTTUMWA, Ia., Feb. 11.—Bert King and Lewis Crumes of Ottumwa have been bound over to the federal grand jury on a charge of breaking and entering Milwaukee railroad cars while in interstate transit. They are accused of taking beer and food stuffs from them.

PROVIDENCE, R. I., Feb. 11.—A motion for a new trial for Cecil Brown and Henry H. Spellman, convicted last week of the murder of Dr. C. Franklin Mohr, was filed today.

GRAND RAPIDS, Feb. 11.—Captain Hadley A. Potter of the Volunteers of America died here last night of typhoid, three weeks after his wife died at the same hospital of the same disease. Captain Potter never knew of the death of his wife.

OSWEGO, N. Y., Feb. 11.—Major James E. Norrmoyle, United States infantry, in command of Fort Ontario, died suddenly today of blood poisoning. Major Norrmoyle was born in Michigan in 1860. He will be buried in Arlington National cemetery in Washington, D. C.

LONDON, Feb. 11.—William Hickman Smith Aubrey, author and journalist, died last night at his home in Croydon. He was identified with various English newspapers and was author of several works on English history.

ROCK ISLAND, Ill., Feb. 11.—Mr. and Mrs. George D. Crabbe, pioneer settlers of Mercer county, were buried yesterday at Hamlet, near here. He was 92 and she 87. Mrs. Crabbe died Jan. 31. Her husband was seriously ill and the doctors said he had but a short time to live. So it was decided to defer interment of Mrs. Crabbe's remains. Mr. Crabbe expired last Tuesday.

VILLA IS BELIEVED TO BE MOVING TOWARD MADERA

EL PASO, Tex., Feb. 11.—Francisco Villa is believed to be moving toward Madero, Chihuahua, according to official reports today to General Givira, commandant at Juarez. Givira said his informant reported Villa located between Las Cruces and Namequipa, many miles west of his customary haunts in the Santa Clara ranch district.

An American arriving today, declared that, according to reports at Namequipa, Villa had about 100 men in his immediate band. The American who left western Chihuahua about February 3, said at that time Villa sent word he was coming to Namequipa to shoot deserters and that he wanted one woman captive for every man of his command.

Previously it was said Villa had had many friends in western Chihuahua. According to the American, Villa was angered by the number of desertions, his force having been reduced from 1,000 to about 100.

SPEAKERS MAKE COMPREHENSIVE SURVEY OF LATIN-AMERICA

PANAMA, Feb. 11.—A comprehensive survey of all Latin-America and future occupation for missionary work was made today in addresses by speakers from both Latin-America and the United States at the second day's session of the congress on religious work in Latin-America, which had under discussion the subject, "Survey and Occupation."

The attitude of a majority of the details was voiced by Dr. Silas S. Daugherty of Philadelphia, who declared that in view of the interest taken in the United States in Latin-America affairs, commercially, business and religion should march hand in hand.

The Rev. H. C. Tucker of New York made a strong plea for earnest work among the Indians thruout the Americas.

GIRL IS ABLE TO WALK

Ottumwa, Ia., Feb. 11.—Six-year-old Vera Campbell, Wapello county's first child to receive treatment under the Perkins law, is now able to take a few steps at the university hospital at Iowa City, where she has been a patient since Dec. 10. Previous to her entrance there she had never been able to stand alone. Her ailment is as yet undiagnosed by the university specialists.

DUEL ON ITALIAN FRONT CONTINUES

Infantry Attacks Are Being Delivered Despite the Heavy Snows

FIGHTING AROUND VIMY

French Are Endeavoring to Re- capture Positions Re- cently Taken from Them

DENY THAT CRUISER WAS SUNK

Except for the Artois region of France and the Volhynian and East Galician sections of the Russian line the virtual inactivity that has prevailed for several days continues. The Italians and Austrians are keeping up their artillery duels on the Austro-Italian front despite the heavy snows in the mountain regions and here and there are delivering infantry attacks against each other but without appreciable result. In Albania the Austro-Hungarians have occupied Tirana, a short distance to the northeast of the port of Durazzo, and also dominating heights in that region.

Petrograd Reports Progress. Petrograd says the Russians in their operations against the Turks continue to make progress and that all attempts by the Ottomans to assume an offensive are being put down by the Russian fire. Bombardments of the Turkish positions on the Black Sea coast are being kept up by Russian torpedo craft.

On the other hand Constantinople asserts that in the fighting between the Turks and the British in Mesopotamia, the British attempted an advance from the right bank of the Tigris but were compelled to retreat to their old positions.

Hard fighting is still in progress around Vimy, where the French are endeavoring to recapture positions taken from them recently by the Germans. Berlin reports that four French attacks in this region have been put down and also that a similar offensive with a like purpose to the south of the Somme resulted in failure.

French Active With Artillery. The French however, have been active with their artillery at various points and have caused considerable damage to the German positions.

In Volhynia, near Tchemerine, the Russians have repulsed Teutonic counter attacks and to the northwest of Tarnopol have held a strategic height despite an attack by numerically superior forces of Austro-Hungarians, according to Petrograd.

Official denial is made in London of a claim by Berlin that German torpedo boats sank off the Dogger bank a British cruiser and torpedoed another boat of this class. The British denials indicate that it was one of four mine sweeping vessels that was sunk.

The Belgian legation in London brands as untrue a report that Belgium recently made peace proposals to Germany.

Denies Report of Sinking

London, Feb. 11.—A Berlin official statement received here today claims that a British Cruiser has been sunk by a German torpedo boat craft and another British cruiser torpedoed. The British official press bureau denies this.

The German statement was to the effect that the German torpedo craft met British cruisers off the Dogger Bank on Tuesday night and sank the new cruiser Arabis and torpedoed a second cruiser.

In giving out the German message for publication the press bureau appended the following:

"The British admiralty states that the cruisers above mentioned were four mine sweeping vessels, three of which have returned safely."

The British Cruiser Arabis is not listed in the current naval publications. This is explained by the fact that the names of the new boats of the British navy have not been given out by the admiralty because of war conditions.

MORRIS KNOCKS PELKEY OUT

Tulsa, Okla., Feb. 11.—Carl Morris of Sapulpa, Okla., knocked out Arthur Pelkey of Canada in the fifth round tonight of their scheduled 15 round bout here. Pelkey was floored twice in the fifth round before he was knocked out. The men are heavyweights.

WILLARD DEFERS DEPARTURE

Chicago, Feb. 11.—Jess Willard, it was said tonight, would defer departure for New York for two or three days more until he has eliminated the cold from which he has been suffering for several days. It is said that there is nothing about his illness to threaten postponement of his match with Moran.

EIGHTEEN MEN REPORTED KILLED IN MINE BLAST

FOUR OTHERS HURT AND SIX MORE ENTOMBED

Gas Explodes in Mine No. 2 of the Jefferson and Clearfield Coal and Iron Company at Ernest, Pa.—Rescuers Work in Relays.

Indiana, Pa., Feb. 11.—Eighteen men are reported to have been killed, four others injured and about six more entombed by an explosion of gas late today in mine No. 2 of the Jefferson and Clearfield Coal and Iron company at Ernest, six miles from here. James McGuire, aged 30, one of the rescuers who was overcome by gas and was brought here late tonight, said that before he left fifteen bodies were brought to the surface. One body, that of George Bunton, Jr., a mine motorman, was recovered earlier.

More than 100 rescuers are working in relays in an effort to penetrate the workings to reach the entombed men.

Two additional bodies were recovered shortly before midnight. Rescuers say that the condition of the air inside them is very bad and very little hope is held out for the entombed men.

TESTIFIES PEACE COUNCIL'S FUNDS CAME FROM GERMAN SOURCES

WASHINGTON, Feb. 11.—W. H. Cramer, former vice-president of Labor's National Peace Council, today told the house judiciary sub-committee investigating Representative Buchanan's impeachment charges against United States Attorney Marshall at New York, that council's funds came from German sources. He discovered that, he said, after he had been connected with the organization several weeks and resigned.

Buchanan and some others connected with the council were indicted soon after the impeachment charges were brought in the house. They are charged with violating the Sherman law in that they are alleged to have conspired to restrain American trade in munitions.

Today's hearing, like the others, was secret. One of the committee members, however, said no evidence to prove the charges against Mr. Marshall had developed so far.

SIX HUNDRED POUNDS OF POWDER EXPLODE INJURING TWO WORKMEN

NEW CASTLE, Del., Feb. 11.—Six hundred pounds of powder exploded in a dry house at the projectile plant of the Bethlehem Steel company near here tonight, injuring two workmen and completely wrecking the building. The cause of the explosion has not been determined. There was no one in the dry house at the time, the injured men being employed in an adjoining building. Several nearby structures were damaged slightly. The force of the blast was terrific and was felt for miles around. The financial loss is trivial.

ARREST TWO SAID TO BE FRIENDS OF CHICAGO BANK ROBBERS

CHICAGO, Feb. 11.—Two men said by the police to be New York friends of four men on trial for robbing the Washington Park National Bank of \$15,000 were arrested in a downtown hotel here today.

One of them, according to police turned out to be a New York lawyer, Abraham Harowitz, who soon afterwards filed suit against Captain Hunt and two detectives for \$100,000 damages, alleging false arrest. The other man was Manny Weinstein, it was said.

Police assert the two were summoned several days ago by the indicted men.

YOUNG MAN IS ARRESTED AND LEARNS HE IS HEIR TO \$400,000

CHICAGO, Feb. 11.—Keith Edward Dalrymple wore flashy clothing and for this reason was taken to the station by detectives today. Had it not been for this Dalrymple would have known that he was heir to \$400,000, and that the police of the country had been on the lookout for him for four years to tell him so.

The bureau of identification gave up nothing of a damaging character with reference to the young man—he is 23 years old—but it did develop an old circular seeking him.

Young Dalrymple ran away from his home at Siloan Springs, Ark., in 1908. His father prospered in the oil business and moved to Port Allen, La., where he died four years ago. The runaway was the heir. After leaving home young Dalrymple went to New York, where he worked in department stores. He came to Chicago ten days ago.

SUFFRAGISTS CONFER

New York, Feb. 11.—The first of a series of conferences by means of which suffragists plan to organize the country geographically to unify their campaign in support of the Susan B. Anthony amendment was held here today. Delegates were present from several eastern states.

MILKIN DEFEATS NORMAL

Bloomington, Ill., Feb. 11.—Milkkin first team defeated Normal first team 19 to 15 in basketball this afternoon.

Milkkin seconds defeated Normal seconds 16 to 13.

WILSON LEAVES FOR WEEK-END CRUISE

Will Consider Selection of a Successor to Lindley M. Garrison

MANY ARE SUGGESTED

President Probably Will Be Ready to Send Nomination to Senate Early Next Week

GOES OVER QUALIFICATIONS

WASHINGTON, Feb. 11.—President Wilson left Washington tonight with Mrs. Wilson for a week end cruise down the Potomac river and Chesapeake bay on the naval yacht Mayflower during which he will consider the selection of a successor to Lindley M. Garrison as secretary of war. He expects to return late Sunday night or early Monday morning. It was said tonight by the president's decision as quickly as possible and that he probably would be ready to send the nomination to the senate early next week. An assistant secretary to succeed Henry Breckenridge in all likelihood will not be named until the new secretary is consulted.

Many Names Are Suggested. Secretary of the Interior Lane, Secretary Houston and Frank L. Polk, counselor of the state department, are understood to be under serious consideration and the names of twenty or more other men have been suggested to the president. These include former Governor Judson Harmon of Ohio, Colonel E. M. House, former Governor Walsh of Massachusetts, former Mayor Newton D. Baker of Cleveland, Senator Stone of Missouri, Senator Chamberlain, chairman of the senate military committee; Representative Hay, chairman of the house military committee, and several other members of congress. The president is said to be desirous of naming a man already in touch with the military situation who could take up immediately the direction of the war situation where Mr. Garrison left off. It is intimated by his friends, however, that he may select some one not yet mentioned publicly in connection with the position. The president spent several hours today in going over the qualifications of various men suggested. A cabinet meeting was held, but Mr. Wilson did not seek advice on the subject there.

Attends Dinner Given by Burleson. Tonight he attended a dinner given in his honor by Postmaster General Burleson and immediately afterwards boarded the Mayflower.

Fourth Assistant Secretary Breckenridge was at the war department for a short time today and later left with his wife for an indefinite stay at Jamestown Island, Va. His friends expect him to return to his home in Lexington, Ky., to resume the practice of law. It was said he might identify himself for a time with the campaign for national defense.

C. C. Weybrecht of Alliance, Ohio, who served as adjutant general of the Ohio National Guard under Governor Harmon, has been suggested to the president for the assistant secretaryship.

ESTABLISHES NEW RECORD

San Diego, Cal., Feb. 11.—Floyd Smith, chief pilot for an aeroplane company, accompanied by two passengers, ascended 9,000 feet in a huge military hydro-aeroplane at the North Island aerodrome here today. According to aeronautical expert S. Smith established a new altitude record for a machine of this type, carrying three persons. The former record is said to have been held by a London aviator who rose 8,300 feet with two passengers.

DEFEAT PROPOSITION FOR STATE-WIDE PROHIBITION

Frankfort, Ky., Feb. 11.—The lower house of the general assembly here today defeated a proposition to submit to the voters of Kentucky a state-wide prohibition constitutional amendment. The measure previously had been lost in the senate.

For President

L. Y. SHERMAN.

For Governor

ANDREW RUSSELL.

Colonel Frank Smith of Dwight, who is an active candidate for governor, and who has carried on his campaign here, and elsewhere, is so seeking to be a member of the Republican state central committee. His home in the seventeenth district and he has represented the district before as a member of the committee.

Judge Charles H. Mayer of the circuit court of Buchanan county, Missouri, is virtually the mayor of the town of Stansberry. The mayor of the town recently died and because of a deadlock the chairman of the aldermanic board has not been elected acting mayor, and so the judge was appealed to take charge of the affairs of the town and until matters can be straightened out in the usual way. Possibly some proceeding of the same kind will be necessary in the local school tangle. The law provides that if the board does not call an election that it becomes the duty of the township treasurer and that if he does not issue the call, then the county superintendent of schools is to act. According to the Missouri method, if none of these officials issue the call, the case will be up to Judge Jones of the circuit court.

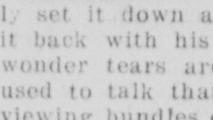

Personal Safety.

Coroner Hoffman of Chicago disputed a popular belief and created a feeling of unrest for a time, at least, when he stated that a larger per cent of deaths he investigated occurred in the home than abroad. The records for a period of ten years shows that 15,241 deaths occurred in the home and 14,623 outside of the home. More deaths caused by falls, murders, exposure and shooting occurred within doors than elsewhere. People as a rule have the feeling that within their homes they are safe and that outside dangers come quick and fast. Coroner Hoffman, by the way, is one of the most unique figures in Chicago and for some reason seems to have such a hold on the people that time and again he was re-elected to the office.

Rippling Rhymes
By WALT MASON

UNAPPRECIATED.

The young man labors hard at home, and writes a story or a poem, and, hoping to receive long green, he sends it to a magazine, or maybe to some daily sheet, which wants hot stuff that's keen and sweet. Then back it comes, by early mail, and how that writer makes his wall! The editors are all combined to bar that great and fertile mind! Or else they didn't read his stuff, but calmly set it down as stuff, and shipped it back with his own stamps—what wonder tears are in his lamps? I used to talk that way myself, when viewing bundles on the shelf of tales and other gems of thought, which editors returned as rot. But, friends, the editors were right! The editors are mostly white, and if they see in man or dame a symptom of the genuine flame, they do not doubt, the glowing spark with bitter cheer or a blaze, and nourish it with smile and praise. (These metaphors, of course, are mixed, but when I've time I'll have them fixed). The editors, all over this sphere, are looking, looking, year by year, to find the writers who can write, and finding one brings great delight. So, if you cannot sell your junk, it is because the junk is junk.

DATES IN ILLINOIS HISTORY.

Feb. 12, 1812—Under an act of congress of this date a commission established a saline reservation of 94,766 acres in southern Illinois, to which was later added a tract of 81,000 acres.

he has held so long, practically without opposition.

Farm Advisors Popular.

Reports have not been received from the lists sent out a week ago for the enrollment of farmers willing to join in the expense of securing a farm advisor, but the movement should be pushed vigorously along. In many counties in other states not nearly so well off as Morgan county, farm advisors have been secured with no difficulty about the funds. If five or six hundred farmers in this county combine, the expense to them annually would not be more than about 3 cents an acre. In every county where the plan has been tried the farmers have been enthusiastic about the good accomplished and those who doubted are held back at first were very glad later on to join in the movement and share the expense. If a farm advisor is secured here every farmer will have advantage of the suggestions given and to all the services of the advisor. But the average farmer will be unwilling to do this unless he is making at least some small contribution toward the expense.

Teaching Children to Save.

For two years savings banks have been operated as a part of the Chicago school system and with excellent results. Sixty-three of the schools have had savings banks, independent of the board, but recently a request has come to unite all of these banks and make them a part of the school system. Since the banks were established nearly 18,000 pupils have become depositors and the average savings apiece have been more than \$2.00. While the sum of money is large, it does not give by any means an idea of all the benefits resulting from the establishment of the banks. With the system followed the children are familiarized somewhat with banking plan, but the greatest value is in the lessons of saving which are inculcated. The majority of children have not the slightest idea of the value of money, but the establishment of savings banks has given them ideas along this line and has also taught them how pennies saved soon become dimes and only a little later on are dollars.

Col. Harvey's Comment.

While Secretary Garrison has been criticized by some of the papers which consistently support the administration, the view expressed by the great majority of papers is that the former secretary of war was justified in his action. Colonel George Harvey, who at the beginning of the administration, along with Colonel Watterston, was a commandant of the president, is quoted as saying, "It is a great misfortune that the ablest member of the cabinet should have felt called on to resign, but thank God, we have the honorable and only Josephus Daniels left. Garrison resigned because he refused to continue as a clerk under President Wilson, and the resignation came as the culmination of a number of clashes between the president and his secretary."

In all quarters Mr. Garrison has been considered the strongest member of the official family, and there can be no doubt but that the resignation, coming at this time, is a blow to the administration. Naturally the news of the resignation has not been received with great sorrow by Republican leaders.

An Example in Service.

Comment was made recently in these columns on the rare patience shown by Miss Mollie Fancher of New York, who recently celebrated the fiftieth anniversary of her invalidism. Yesterday her long life journey closed and thus special attention has been directed to her remarkable life. It was in 1866 that Miss Fancher became an invalid when she was thrown from a horse and injured. For nine years she remained in a trance-like condition and it was during that period that she built up an enormous correspondence totaling thousands of letters. With passing time her condition became worse and she was able to move only her right arm, but she worked unceasingly at knitting and the record says that in this work she used up thru the years more than 100,000 pounds of worsted yarn. The money that she earned from her work was more than sufficient to care for her, and she contributed quite largely to the aid of those in need. Her largest contribution to the sum total of human happiness was the fact that her spirit was unbroken thru the years and she kept ever a cheerful and uncomplaining mien.

Speculate as to Chairman.

One of the questions which is now interesting Republican politicians is whether Frank P. Woods of Iowa shall be continued as chairman of the congressional campaign committee or give way to William B. McKinley of Illinois, who was formerly chairman of the committee. On argument for retaining Mr. Woods, it is that while he served as chairman of the committee in 1914, the party made large gains in cutting down the Democratic majority in the house, and another reason is that he is considered by some members of the party to have progressive tendencies. While Congressman McKinley did not make a great record as the manager of President Taft's campaign in 1912 this is not being held up against him, and those who are urging his appointment now refer to his success some years ago as the chairman of the congressional committee, and urge beside his known popularity with many party leaders that he is indisputably a member of the standard wing of the Republican party. Some of the extremists among party leaders declare that Woods and McKinley are of the same stripe and that neither one would be satisfactory to the Progressives.

In choosing a chairman of the congressional committee it will not be possible to satisfy everybody, so that it is very likely that the final choice will be one of these two men.

The Garrison Issue.

(St. Louis Post Dispatch)
Secretary Garrison's retirement is a serious loss to the Wilson Cabinet, which lacks strong men, but it may serve the country. It raises a vital issue of preparedness.

Mr. Garrison's reasoning for a Federal controlled, officered and disciplined reserve and against a state controlled and officered militia is unsound. It is buttressed by experience. The state-controlled militia, as a means of national defense, has proved a delusion and a snare from the beginning of our history. Every man who has had to depend upon it and has suffered from it has condemned the system. It has been the military bane of the nation.

Among intelligent Americans there cannot be two minds on this point. We need an adequate standing army and adequate reserves of citizen soldiery, controlled, officered and disciplined by the national authorities. We need in the end universal military training and sufficient trained officers, with every man subject to call for the defense of the nation.

The question which divides the President and Mr. Garrison is one of practicability. Mr. Garrison stands upon his continental army as the only feasible reserve system. He insisted that the President stand upon the continental army plan.

On the other hand, the President insists upon the open mind. He refuses to commit himself irrevocably to a specific plan. Presumably he agrees with Mr. Garrison that the national defense forces must be controlled by the Federal government, but he thinks this end may be gained by a different plan. The continental army scheme is condemned by many military experts as impractical.

The issue must be met, soon or late. The President must take a stand for the principle of control demanded by Mr. Garrison. If he does not and Congress fails to meet the crisis, all present effort in the direction of real army preparedness will come to naught.

The trouble with Congress is that it does not think nationally; it thinks locally and is continually preferring narrow State and local interests to broad interests. This is the trouble with all of us. Until in matters of national concern, we think and act nationally and are willing to serve and make sacrifices for the nation as a whole, our talk of preparedness, military, commercial and industrial, is sounding brass.

MRS. GEORGE COOPER DIES
AT HER HOME IN CONCORD

Passes Away After a Brief Illness of Pneumonia—Funeral Services to be Announced Later.

Mrs. James Cooper died Friday night at 6:30 o'clock at the family residence two and one-half miles east of Concord, after a three weeks illness of the grip. Mrs. Cooper's maiden name was Rosa O'Keefe and she was born and reared in the Concord community. She was about 45 years of age.

She is survived by her aged mother, Mrs. Mary O'Keefe, her husband and the following children, Edgar, of Springfield; Clyde, east of Concord; Jay and Farrell, at home, and Mrs. Aaron Petefish, Jr. of Liberty. An only brother, Daniel O'Keefe, of Springfield, preceded her in death a few days before Christmas of this year.

Mrs. Cooper was a woman of fine character and was widely known. She was a member of the M. E. church and her death will be a distinct loss to the community. No funeral arrangements have been made but they will probably be sometime Sunday.

Don't forget to attend T. E. Laurie's sale, Feb. 15.

AN APPEAL FOR

FRENCH SOLDIERS

The LaFayette fund committee, with headquarters at the Vanderbilt hotel in New York City, is sending out a broadcast appeal for aid of French soldiers engaged in the war. From funds already given 50,000 "comfort kits" have been sent to the soldiers and the need for a great many more is now emphasized because the rainy season is approaching, during which trench conditions will be much more unhealthy than has been true for past months. Each kit cost, a total of \$2 and contains the following articles:

1 Poncho, 2 pairs of Woolen Socks, 1 Handkerchief, 1 Combination Knife and Spoon, 1 Pencil, 1 Package of Note Paper, 1 Cake of Soap, 1 Can of Cretol Ointment, 6 Safety Pins, 1 Coach Candle, 1 Tooth Brush, 1 Emergency Sewing Kit.

All the money given is expended for the kits, as the cost of making collection, etc., is paid by the executive committee.

Miss Mary Violet of Beardstown was added to the list of shoppers in the city yesterday.

LINCOLN'S BIRTHDAY AT

THE POSTOFFICE

There will be one general collection at 7 a. m. and collections in the business district at 4 and 6 p. m. BOOKS IN CIRCULATION AT

PUBLIC LIBRARY TODAY

The following new books will go in circulation at the public library today:

Benson—Thread of Gold.

"The Thread of Gold has two chief qualities. It is bright, and it is strong; it gleams with a still and precious light in the darkness, glowing with the reflected radiance of the little lamp that we carry to guide our feet, and adding to the ray some rich tinge from its own goodly heart; and it is strong, too, it cannot easily be broken; it leads a man faithfully thru the dim passages of the cave in which he wanders, with the dark earth piled above his head."

Curle—Joseph Conrad.

Mr. Curle's book is sympathetic and gives a convincing picture of the man who has without doubt written the finest stories appreciating the sea in the English language.

Elke—Provincial Types in American Fiction.

Pearson—Librarian at Play.

Compton—Indian Life in Town and Country.

"Series of lively and graphic essays describing Indian native life and Anglo-Indian life."—Nation.

Coulevain—Unknown Isle.

Ruebner, ed.—Total Disability Provision in American Life Insurance Contracts.

King, ed.—Proceedings of the Conference of American Mayors on Public Policies as to Municipal Utilities.

Patterson, ed.—Readjustments in Taxation.

Smith, ed.—American Industrial Opportunity.

Champlin—Cyclopedia of Painters and Paintings. 4 vols.

"This is a useful reference set. The names of painters and their works are given in one alphabet. A sketch of the artist's with a list of his works and bibliographies notes is often accompanied by his portrait and an occasional reproduction in outline of important paintings. Under the name of a celebrated painting will be found a brief description of it."

Guide to the Study and Use of Reference Books.

Goodyear—Renaissance and Modern Art.

Rent Fiction.

Lee—Aunt Jane.

In Aunt Jane Mrs. Lee has created

GOOD ROADS BANQUET

DATE CHANGED

Some days ago it was announced that the Morgan County good road banquet would be held March 1, but it has been found necessary to change the date to Tuesday, March 2. This change was necessary to the convenience of Mr. Bradt of the commission, who found it impossible to be here March 1. The condition of Morgan county roads has been so bad this winter that more than usual interest is felt in road problems and for that reason the attendance at the banquet is expected to be larger than ever. The address by Mr. Bradt and Mr. Pieper, engineer for the state highway commission, will be of a practical kind and will include suggestions really worth while to those seeking to better Illinois road conditions.

CITY AND COUNTY

J. S. Miller was in the city from Franklin yesterday.

J. P. Smith of Peoria was a pilgrim to the city yesterday.

William Vincent of Bluffs was an arrival in the city yesterday.

Mrs. A. T. Davenport of Alexandria was a city shopper yesterday.

D. E. Sweeney left last night for Chicago to visit his daughter, Miss Bessie, who is a student at the University of Chicago this year. He will spend Monday and Tuesday at the cement show.

Miss Catharine Wilson was in the city yesterday preparing to start for Fulton, Missouri, to resume her studies in the school there. She went out to Woodson last evening to spend the night with friends there.

Mrs. Jennie Newman, who has been spending the past three months at the home of her daughter, Mrs. Harry Obermeyer, expected to return to Chicago today. She will be accompanied by Harry Obermeyer, Mrs. J. A. Obermeyer and daughters Deane and Helen.

The electric flag which so beautifully decorated the stage at the David Prince building the night of the high school minstrel's performance, was placed yesterday by Mr. Miser in the front window of the Farmers' Bank & Trust company and made a beautiful appearance eliciting many words of praise and admiration. It is indeed a thing of rare beauty and shows to fine effect at night.

ALEXANDER HOPPER WAS CALLED BY DEATH LAST NIGHT

Well Known Merchant of Nortonville Succumbs to Long Illness—Had Been a Farmer a Great Many Years.

Alexander Hopper, the well known merchant of Nortonville, died Friday evening at 5:45 o'clock at the family residence in Nortonville of peritonitis. For some time he had been complaining and for the last few days his condition had been serious.

He was born in Morgan county in March, 1859, and was married to Miss Anna Brightenstien. They were the parents of twelve children, of whom two preceded in death, Fred and Dollie. Besides the widow the ten children surviving are Mrs. Edgar Cox, John, Ernest, Charles, Leila, Ora, Thomas and Earl of Nortonville, and Mrs. Scott Dunham and Oscar Hopper of Winchester. He also leaves two brothers, John of Winchester and William of Girard, and the following sisters, Mrs. Stevenson and Mrs. Mary Burks of Jacksonville, Mrs. Lizzie Mason of Winchester and another sister, who resides away from here.

Mr. Hopper had been a farmer most of his life until seven years ago when he started a general merchandise store in Nortonville. He had his son, John, associated with him in business. Mr. Hopper was a member of the Asbury M. E. church.

No funeral arrangements have been announced, but burial will be made in the Asbury cemetery.

FUNERALS

Vieira.

The funeral of Mrs. Mary Vieira was conducted from the home of her daughter, Mrs. Mary Coraor, 1304 Ashland avenue, in charge of Rev. Walter E. Spoons. The flowers were cared for by Miss Nellie De Ornellas and Mrs. Charles Pires. Music was given by Mrs. James Scott and Mrs. Joseph De Freitas, with Mrs. Charles Pires, a organist.

Burial was made in Jacksonville cemetery and the bearers were John Day, Emmanuel Day, Alfred Souza, Sanders Baptist, A. P. Vasconcellos and Joseph Smith.

MATRIMONIAL

Hill-Stewart.

The marriage of Archie Hill of Roodhouse and Miss Estelle Stewart of White Hall took place Friday afternoon at 2 o'clock at the parsonage of Centenary M. E. church, Rev. Geo. W. Flagg officiating. The young people were accompanied to the city by Miss Nina E. Heard and Robert W. Conlee.

The groom is an evangelist singer, but is now residing with his father, J. P. Hill, at Roodhouse.

DORWART'S MARKET

APPLY TO WAR DEPARTMENT FOR RATIONS FOR FOOD SUFFERERS

Sheriff of Chicot County, Ark., States That to Date Conditions are not Extreme in Lake Village.

Little Rock, Ark., Feb. 11.—Sheriff R. E. Alcorn of Lake Village, Chicot county today said that application was made by business men of Lake Village Monday for the war department for rations for 4,000 persons, sufficient to last several days to be used for relief of food sufferers. The officer said that to date conditions were not extreme in Lake Village and vicinity, but that the situation would be very serious in a few days. It was in anticipation of that condition, he said, that the business men sent the appeal for aid.

According to the official the steady rise of the Mississippi threatens the town.

Concerning statements that only four men responded to appeals for work on the levees, Sheriff Alcorn made the following declaration:

"I personally made the appeal for workmen to strengthen threatened levees. I asked for thirty men yesterday and forty five responded. Today I asked for fifteen more and got them. Tomorrow they will be taken to points where preparation will be needed. Those who refuse to work on the levees, voluntarily will be worked anyway."

Take Issue With Statements.
Washington, Feb. 11.—Official war department despatches from the Arkansas flood district today take issue with published statements that 4,000 persons are in need of federal aid near Lake Village.

Colonel Beach of the army engineers on an inspection trip in the district reported today that his reports from Lake Village disclosed that only four men responded to the levee board's call for labor at Lake Village and that when negroes seeking rations, came, to the levee at Lunathy refused work which was offered.

FIGHT FOR RATIFICATION OF TREATY IS PRACTICALLY WON

WASHINGTON, Feb. 11.—The fight made by President Wilson for ratification of the Nicaraguan treaty was practically won in the senate today during an executive session. Some of the most active opponents of the measure asserted the administration had won over enough votes to make up the necessary two-thirds and predicted ratification of the treaty tomorrow.

The administration opponents while they conceded they expected the Nicaraguan convention would go thru, reiterated they would prevent ratification of the Columbian treaty to pay an indemnity and express regret for the partition of Panama.

ASK FOR MOOSE CIGARS.

DISCUSS AMATEUR PLAYER.

Louisville, Ky., Feb. 11.—A liberal tendency in defining the amateur baseball player marked the discussion here today of the committee of four appointed by President U. C. Patterson of the National Amateur federation to arrange preliminaries for the annual meeting in Louisville tomorrow. Delegates to the meeting began arriving today and tonight representatives of a dozen cities were in Louisville.

SELL THREE PITTFEDS.

Pittsburgh, Pa., Feb. 11.—Three members of the Pittsburgh Federal club were today sold to the Indianapolis American association team. They are Pitcher Clinton Roggs and Outfielders Albert Wickland and James Kelley. The consideration was \$3,000 and the cancellation of the Indianapolis club's suit against the local team which was brought following the jumping of Pitcher Sanford Burk from that team last season.

NO PERSONAL DIFFERENCES.

New York, Feb. 11.—Lindley M. Garrison, who resigned yesterday as secretary of war in President Wilson's cabinet, was asked here tonight if there were any personal differences between President Wilson and himself.

"Oh, no," he replied, "nothing personal at all. It is merely a matter of difference in views."

SMOKE MOOSE 5c CIGARS.

INTIMATE AUSTRIA IS TO MAKE COMPLETE INVESTIGATION

WASHINGTON, Feb. 11.—Intimations have reached the state department that the Austrian government has decided to make a complete investigation of the facts connected with the attack by an Austrian submarine upon the American tank steamer Petrolite before replying to the recent note of the United States asking an explanation of the incident. Consequently the reply is not expected here for some time because of the difficulty in communicating with the commanders of the submarines cruising in Mediterranean.

From the American point of view, admitting the right of the submarine commander to halt the Petrolite, even by force if she persisted in flight after warning, there is absolutely no warrant in international law for his action in "requisitioning food" or other supplies from the ship.

INCREASE STOCK OF ST. LOUIS AMERICAN BASEBALL COMPANY

ST. LOUIS, Feb. 11.—The capital stock of the St. Louis American baseball company was increased from \$80,000 to \$400,000, according to a notice filed with the recorder of deeds here today. The stock of the really company which owns American league park at the same time was increased from \$125,000 to \$200,000.

The document filed today disclosed the manner in which the American league club stock was distributed among the new owners, most of them stockholders in the St. Louis Federal league club. The stockholders were listed as follows: Phil Ball, 2,370 shares; Otto F. Steifel, 733; James W. Carnau, 109; L. B. Von Weise and S. L. Swartz, 4 shares each.

MIDSHIPMEN AT ANNAPOLIS WILL BE PERMITTED TO RESIGN

WASHINGTON, Feb. 11.—All of the 82 midshipmen at Annapolis, who were recommended for dismissal because they failed on their mid-session examination will be permitted to resign instead of having the blot of expulsion from the service against their record. After approving the academic board's recommendation that the midshipmen be dismissed, Secretary Daniels today wrote to Captain Eberle superintendent of the naval academy authorizing him to accept resignations.

Mr. Daniels explained that he believed a boy should be dismissed from the academy only in punishment for misconduct.

About half of the midshipmen who failed are members of the fourth class, eligible for re-appointment so many of them may return to the academy next fall.

ATTEMPT TO BLOW UP PLANT.

Niagara Falls, Feb. 11.—An attempt was made to blow up the Castner Electrolytic Alkali company's plant here shortly before midnight. The explosion shattered many windows but failed to damage the foundation, Superintendent G. A. Vaughn said.

Several sticks of dynamite were found near the base of one of the walls by the police.

After a careful investigation by the police and officials of the company it was said no theory had been developed as to the perpetrators of the plot. The company is said to have been working on war orders recently.

SUSPEND EIGHTY STUDENTS.

Bloomington, Ill., Feb. 11.—Eighty more students, both men and women, of the Illinois Wesleyan university, were suspended today, following the suspension of twenty-five young women yesterday for violating the rule against attending dancing parties for which no permission had been given by the faculty committee. The parents of a number of suspended students met tonight to discuss the situation and decided to hold a mass meeting at the Y. M. C. A. Saturday night at which President Theodore Kemp is expected to be present and explain the action of the faculty.

CHANGE NAME OF STAKE.

Detroit, Feb. 11.—It was announced today by officials of the Detroit Driving club that the chamber of commerce, which for years has been one of the feature events at local Grand Circuit Harness Race meetings will hereafter be known as the Board of Commerce Stake. This year the \$5,000 stake will be for 2:06 pacers.

NAVY OFFICERS FOR LOSS OF SECRET BATTLE CODE BOOK

SAN FRANCISCO, Cal., Feb. 11.—The trial by court martial of Lieutenant Robert A. Jones, commanding the Pacific fleet reserve torpedo division, and Ensign Robert D. Kirkpatrick, for the loss in August, 1915, of a secret naval battle code book was held here today.

The trial lasted but a few minutes. Paymaster E. H. Douglass appeared as counsel for Ensign Kirkpatrick. He pleaded that the mental anguish suffered by the officer had already punished him sufficiently.

The court retired to find a verdict after ordering the resumption of proceedings later in the day to try Lieutenant Jones.

DEFENSE BEGINS ITS INNING IN TRIAL OF MRS. IDA MEYER

WINTERSET, Ia., Feb. 11.—After a gun expert had testified today that the bullet found in the brain of Ethel Meyer was too light in weight to have come from the .38 caliber revolver that lay by her side, the defense began its inning in the trial of Mrs. Ida Meyer, charged with complicity in the murder of her 20-year-old daughter-in-law. It was the expert evidence the defense attacked first by putting on the stand Walter Dimler, nephew of the defendant, who said he once owned the revolver. He testified he had whittled down a bullet in one cartridge and that he left the revolver, the cut-down cartridge and several others at the Meyer home three years ago.

COURT SETS TRIAL OF WILLIAM LORIMER FOR NEXT THURSDAY

CHICAGO, Feb. 11.—The trial of William Lorimer, once the occupant of a seat in the United States senate, charged with conspiracy to defraud the LaSalle Street Trust and Savings bank, of which he was president, was set today for February 17.

Counsel for Mr. Lorimer appeared before Judge William Dever in the criminal court today and asked for an immediate hearing of the case. The court set the trial for Wednesday and announced that he would then take up the hearing of preliminary motions, including one asking the consolidation of the various indictments against the former bank president.

Several weeks ago Charles B. Munday, vice president of the LaSalle Street Trust and Savings bank, was found guilty of conspiracy to defraud the institution. The Munday trial was in Morris, Grundy county, Illinois, the defendant having pleaded that because of the prejudice growing out of his association with Mr. Lorimer he could not receive a fair trial in Cook county.

LITTLE PROGRESS IS MADE AT JOINT CONFERENCE IN MOBILE

MOBILE, Ala., Feb. 11.—After four days of discussion the joint conference of the bituminous coal operators and mine workers of Illinois, Indiana, Ohio and Western Pennsylvania has made little actual progress toward an agreement on a new scale to take effect April 1st. Adjournment was taken today until Monday.

After the adjournment both operators and miners said the best of feeling had prevailed the meetings. The mine workers expressed themselves as confident that an agreement would be reached before the delegates went north next week, but the operators refused to comment on the situation.

GYNECOLOGISTS AT NEW ORLEANS

New Orleans, Feb. 11.—The fortieth anniversary of the foundation of the American Gynecological Society is being celebrated here, at the annual convention of the society. J. Wesley Bowie of Washington is president and Dr. Leroy Brown of New York, is secretary. The congress of gynecologists will extend until Sunday.

BRITAIN'S NEW MILITARY LAW IN FORCE

London, Feb. 11.—The new military service act becomes effective today in Great Britain. All single men between 19 and 41 who are not signed under the Derby plan and are not exempt under the new law are allowed until March 2 to attest, and after that time they become conscripts and may be compelled to serve.

SHOOT'S PERFECT SCORE.

Kansas City, Feb. 11.—Sam Foster of Mason City, Iowa shot a perfect score in the Great Western Handicap, the feature event of Kansas City's annual mid-winter shooting tournament which closed today. Foster's victory was not easily gained, however, for J. T. Roth, of Kansas City, was also tied with Foster when each had tumbled thirty white flinders in a row. In the shoot-off Roth missed one of five and lost the match.

LANGFORD KNOCKS WILLS OUT.

New Orleans, La., Feb. 11.—Sam Langford knocked out Harry Wills in the nineteenth round of a scheduled twenty round bout at a local arena tonight.

ANDERSON STOPS DEVERE.

New York, Feb. 11.—Andre Anderson of Chicago, stopped Bob Devere of Kansas City in the third round of a ten round match here tonight. Anderson weighed 210 pounds and Devere 180.

ACCIDENTALLY KILLS HUSBAND

Danbury, Ia., Feb. 11.—William Huss, a young farmer, residing three miles north of here, was shot and killed by his wife today. Mrs. Huss playfully pointed a shotgun at her husband as they were about to be seated at the breakfast table and pulled the trigger, thinking the gun was not loaded.

STATE ALLEGED SWINDLER WAS ENGAGED IN GERMAN PROPAGANDA

NEW YORK, Feb. 11.—"Dr." J. Grant Lyman, who is being sought by the federal authorities here on a charge of swindling investors in mining stocks out of \$300,000 or \$400,000 by illegal use of the mails under the name of John H. Putnam, has been engaged in German propaganda, according to a statement made tonight by postoffice inspectors. It is charged that he has been supplying men prominent in governmental circles in Berlin with information obtained from the wife of an English army officer said to be a member of the British general staff serving in France.

Lyman, the authorities say, met the British officer's wife in London where he went after being convicted in Los Angeles in 1914 for mail swindles and jumping his bail. It is asserted that she came with him to this country, but returned some time ago.

STRIKE NEW NOTE OF CO-OPERATION

(Continued From Page One.)

—the men with the colors—it is indicated that the senate bill will exceed the increase of 40,000 men asked by Secretary Garrison and many senators will urge the full 1250,000 total strength sought by the war college. Chairman Chamberlain has prepared a bill carrying out the plan of 1912, devised by the war college and which would provide a force with three classes of approximately 200,000 men. It was over this plan that Secretary Garrison and Senator Chamberlain came into sharp disagreement last year.

It was reported without very definite authority tonight that the house would be willing to accept the senate's regular army plans, even on a basis of 200,000 men with the colors, provided the national guard federalization plans went thru.

In addition to plans already outlined, it is now thought there will be provided in the bills proposed or in companion measures, a definite plan for industrial mobilization in time of war behind the fighting lines. Reserves of civilian aides to military operations such as railroad men, automobile drivers and mechanics, telegraphers, telephone engineers and operators and the men of other civil occupations necessary for an army probably will be formed.

ASK FOR MOOSE CIGARS.

Seward, Alaska, Feb. 9.—(Via Valdez, Alaska, Feb. 11).—A general strike of all laborers employed by the government on the construction of the new Alaska railway was called today by the Federal Labor union, which was organized at a mass meeting of laborers at Anchorage last night. Six hundred men already signed the union roll, according to J. A. Ross, who was elected secretary of the organization.

CALL GENERAL STRIKE.

Seward, Alaska, Feb. 9.—(Via Valdez, Alaska, Feb. 11).—A general strike of all laborers employed by the government on the construction of the new Alaska railway was called today by the Federal Labor union, which was organized at a mass meeting of laborers at Anchorage last night. Six hundred men already signed the union roll, according to J. A. Ross, who was elected secretary of the organization.

LANSING GIVES STATEMENT FOR PUBLICATION IN GERMANY

Washington, Feb. 11.—Secretary Lansing, in a statement secured here by the Wolff Bureau, a semi-official German news agency for publication in Germany, declares that the United States has asked nothing of Germany during the course of the Lusitania negotiations which could not with honor and dignity be complied with. The statement was sought as a reply to an interview with the German imperial chancellor, which it was contended that to meet the requirements of the United States would impose an impossible humiliation upon Germany.

SUE BURLINGTON ROAD.

St. Louis, Mo., Feb. 11.—A petition was filed in the federal district court here today against the Chicago, Burlington & Quincy railroad for alleged violation of the law requiring railroads to give animals in transit rest at certain intervals. A penalty of \$500 is sought. It is charged that several Polo ponies being shipped from Denver to St. Louis were kept in the car more than 24 hours.

SMOKE MOOSE 5c CIGARS.

PLACES COMPETITIONS IN WIDELY SEPARATED SECTIONS

New York, Feb. 11.—With a view to bringing about the best results from both an athletic and financial standpoint, the championship committee of the Amateur Athletic Union announced tonight it had placed the different competitions for 1916 in widely separated sections of the country.

SET DATES FOR MEETING.

Des Moines, Ia., Feb. 11.—The annual meeting of the Iowa State Teachers' association will be held in this city November 2, 3 and 4. The executive committee of the association without dissent chose Des Moines as the next meeting place.

Mr. and Mrs. Marshall Gates and children of Boyne City, Mich., are in Jacksonville to spend several days at the home of Mr. and Mrs. R. A. Gates, 1338 West Lafayette avenue.

Mr. Gates is an engineer and has an important work in connection with the great mining industries near his home city.

GIVES BOND FOR APPEARANCE.

At Woods who was arrested Thursday by Sheriff Graff on the charge of making threats to kill was before Justice Dyer and was placed under bond in the sum of \$25 for his appearance Feb. 15. Woods was arrested on a warrant sworn out by James Mehan.

QUARTERLY CONFERENCE.

The quarterly conference of the Methodist church at Murrayville will be held February 17, in charge of Rev. F. A. McCarty.

ACTIVITIES OF MEREDOSIA PEOPLE AND COMMUNITY NEWS

Meredosia, Feb. 11.—Mr. and Mrs. J. E. Hale were Jacksonville visitors Tuesday. They were accompanied home by their daughter, Edna.

Mrs. Otis Webster of Clayton is visiting her father, Wm. Hauser and other relatives in this city.

Mrs. Ed Almond was taken to Passavant hospital Monday and underwent an operation Tuesday which proved successful.

Charles James was a business visitor in Chapin Friday.

Mrs. Matilda Murphy departed Friday for her home in Des Moines, Iowa, after an extended visit with relatives here. She was accompanied as far as Bluffs by her sisters, Mrs. Alice Wade and Mrs. Ellen James who will go from there to Exeter for a visit with friends.

Wm. Nolden has purchased three lots in Lakeview addition facing the bay and expects to soon erect a new residence on the same.

Miss Lella Finney of Bluffs visited Wednesday with Miss Ina Bowlins.

C. P. Hedrick entertained his friend, Paul Bowling at six o'clock dinner Wednesday evening.

Mrs. Will Meier visited with her sister in Bluffs Tuesday.

On next Sunday morning, Rev. T. L. Hancock, pastor of the M. E. church will deliver a memorial address in honor of Abraham Lincoln and in the interest of the Freedmen's Aid society.

Frank Risor will sell at his farm two miles southeast of here Tuesday, Feb. 15, at 10:30 a. m., his stock implements and household goods, preparatory to moving to Mississippi to live.

Dr. F. A. Nevill was a professional visitor in Versailles Wednesday.

Miss Bertha Starks had the misfortune to break her collar bone Tuesday while coasting down a hill near her home. Her many friends hope for her speedy recovery.

H. H. Vasconcellos, county superintendent of schools was in our city Wednesday and visited our school, and delivered an address to the high school.

The river at this place has fallen about 12 inches the past week.

Mrs. J. H. Looman returned home Thursday evening from a visit with Mr. and Mrs. W. T. Hedenburg at Versailles. Mr. Hedenburg is on the way to recovery from a severe fall he received recently.

Quite a number of our young people are in receipt of an invitation to a Valentine party at the home of C. E. Rice near McKendree Chapel Saturday eve, given by Miss Mae Parlier.

A. J. McLain visited Mr. and Mrs. Harve McLain near Little Indian Wednesday.

Mr. and Mrs. S. A. Harwood of St. Louis are guests of Mrs. Harwood's parents, Mr. and Mrs. W. J. Hale.

Charles Lunn is seriously ill at his home in this city with consumption and his recovery is considered doubtful.

William Hauser has returned home from Hot Springs, Ark., where he has been for some time past. He is much improved in health.

Mrs. Wm. Crawley and baby returned home to Joliet Friday after an extended visit with her parents, Mr. and Mrs. Frank Risor.

Charles Enke and son Will arrived home Wednesday from Kalamazoo, Mich., where they have been in the interest of the latter's health. Mr. Enke is very poorly at his home east of here. It is the wish of many that he may soon recover.

Misses Esther James, Greta Looman and Russell Brockhouse are in attendance at a week end house party at the home of Sherman and Kathryn McGinnis at their home near McKendree Chapel. The parties will also attend the Valentine party at C. E. Rice's in that vicinity Saturday evening.

S. D. Allen is again able to be on the streets after his injuries received by a fall on the ice.

NEW ELECTRIC CLOCK.
The school authorities at Franklin have had a new electric clock installed in the building, which is highly appreciated by the faculty and students.

A. C. RICE AGAIN HEADS FARMERS-GRAIN DEALERS

Officers Elected at Final Session of Convention at Bloomington.

A telegram from Bloomington yesterday announced that A. C. Rice had been re-elected president of the Illinois Farmers' Grain Dealers' association at the annual meeting there. As a rule the president serves but one year, but Mr. Rice had devoted so much attention to the work and with such success that the delegates to the convention demanded his re-election. The other officers are:

First vice president—John Salter, Cisca Park.

Second vice president—John Miller, Galva.

Treasurer—Harry Wood, Delavan. Secretary—A. N. Steinhart, Bloomington.

The convention of this year was attended by even a larger number of delegates than usual, and the addresses were made of a particularly interesting and helpful kind. A considerable portion of the time of the convention was occupied in hearing reports on the grain rate case in which the organization has been represented in connection with other organizations seeking to secure some greater consideration from the railroads.

MORTUARY

Frederick.
Word has been received in the city of the death of Mrs. Mary S. Frey, mother of Mrs. J. H. O'Donnell of this city. She passed away at her home four miles west of Springfield Thursday evening at the age of 65 years. Her husband died December, 1914. She leaves four sons, William, Henry and Otto Frey at Springfield and two daughters, Miss Julia at home and Mrs. J. H. O'Donnell of this city. Mr. and Mrs. O'Donnell have gone to Springfield to attend the funeral services.

WITH THE SICK.

Henry S. Stevenson, whose illness was mentioned in yesterday's Journal, was somewhat improved Friday and this encouraging news was very gratifying to his numerous friends in Jacksonville and Morgan county.

Mrs. Hattie Drum of Franklin is very ill, having suffered a stroke of paralysis.

Mrs. J. D. Adams of South Main street has returned home after a twelve days' stay at the Home sanitarium, where she took treatment. She is much improved.

EXPRESS PAID THE DAMAGES.

Friday the agent of the Wells-Fargo Express company paid to Justice Dyer \$10.55 which was for damages and costs assessed by the court a few days ago. The case was that of Josephine Dice against the company for a bottle of whiskey, a football and other articles which she claimed had been sent to her by a relative in Cleveland, Ohio. The court fixed her damages at \$5 the company to pay the costs. The company probably thought it was cheaper to pay the bill than to appeal the case.

LIME HOUSE ON FIRE.

At 12:15 o'clock Saturday morning the fire department was called to the lime house of H. DeCastro & Co., on Wolcott street. Fire had started in the east end of the structure, probably from a stove which is in that part of the building. The roof was burned and part of the east end. The firm had some lath and tile and other materials in the west end of the building. It is not known whether any insurance was carried or not.

The alarm was given by some boys who were on their way home and saw the blaze. Some of them were of the opinion that they heard some calling for help. This created some excitement for awhile. However, investigation showed no one was in the building.

JAILED FOR VAGRANCY.

John Kemper who was arrested in Waverly a few days ago was before Justice Dyer Friday. Kemper was charged with vagrancy and was given thirty days in jail.

SOCIAL EVENTS

J. H. S. Seniors Give Dinner.

Misses Anah Hembrough and Georgia Christison of the Jacksonville high school gave their senior dinner Tuesday night in the David Prince building. The color scheme was pink and white. The menu served was made at a cost of eighteen cents a plate. The courses were as follows: first course, tomato soup and croutons; second course, salmon loaf, mashed potatoes, escalloped corn, pickles, tea biscuits; third course, banana salad and wafers; fourth course, ice cream and snow cake, coffee and mints. The guests present were Miss Calky, Miss Kuechler, Mrs. Smith, Miss Brown, Miss Rogers and Miss Newman, head of the Domestic Science department; Miss Hembrough was hostess, and Miss Estella Schaffield was host. Misses Hollis Ryman, Edith Williamson, Edith Moore and Loretta Piepenbring were assistants.

Clio Circle Meets.

Miss Wilma Crum entertained the members of the Clio circle of the Christian church of Liberty at her home Friday afternoon. Several visitors were present. The decorations were in keeping with St. Valentine's day and an interesting program was carried out. Some nice refreshments were served.

Friday Social Circle.

The Friday Social Circle met at the home of Mrs. Virginia Vasey. It was a Valentine party and the decorations and refreshments bespoke the character of the gathering. Music was part of the afternoon's entertainment and a very pleasant time was enjoyed by all.

Gave Dance on Hill.

The members of the Gamma Delta society of Illinois college gave a dance last night in the college gymnasium, which was greatly enjoyed.

Rebekahs Meet.

The members of Rebekah lodge No. 13 spent a very pleasant time in their hall on East State street Friday evening. It was a masquerade party and the prizes were won as follows: For the best ladies costume, Miss Mabel Berry; for the second best, Mrs. Mayme Berry; for the best gentleman's makeup, Walter Brown; for second best, Clarence McCarty.

The committee on arrangements consisted of Mrs. Oran Cook, Mrs. Cora Pine, Mrs. Mayme Berry and Robert Lucas.

B. Y. P. U. Social.

The second annual Valentine social of the B. Y. P. U. of the First Baptist church, was held in the church parlors Thursday evening. The social committee consisted of Miss Eva Breitwieser, chairman, Miss Irene Sandberg, Miss Veda Radford and Mrs. Mary Hart. They had provided ample entertainment and all enjoyed the evening immensely.

Entertained at Cards.

Mrs. Stanley Quisenberry of Pine street entertained a company of ladies at a card party Friday afternoon. Auction bridge was played and prizes were won by Mrs. Frank Trefzger and Mrs. Fletcher Hopper. Delightful refreshments were served.

Gave Leap Year Dance.

A number of young people gave a leap year dance at the Peacock Inn Thursday evening and members of the Wesleyan basketball team were guests of honor.

Entertained at Dinner.

A company of friends were entertained at a dinner party last night by Mr. and Mrs. S. O. Shuff at their home, 750 West North

Stubborn and
Hard Colds.

We catch cold because our system has become weakened and finds itself unable to throw off the cold germs. Nature in some cases will effect a cure; but generally, without aid we get worse. How much wiser to help nature fight and expel these cold germs! For

this purpose there is no better remedy than Dr. King's New Discovery. It is composed of Pine Tar mixed with laxatives and healing balsams. It is antiseptic. The instant Dr. King's New Discovery comes in contact with the germs, they die or leave. Your cough lessens, the irritation is soothed, and you begin to get better at once. Don't take the risk of serious sickness. Take Dr. King's New Discovery. In use over 45 years and guaranteed all the time. All druggists.

REV. ARTHUR BRITTIAN OPENS SPECIAL SERVICES AT TRINITY

Audience Impressed With Earnestness of the Speaker—Program for the Mission.

The special services for the mission at Trinity Episcopal church began most auspiciously last evening. Rev. Arthur Brittain, rector of St. John's church, St. Louis, was the speaker as he is to be for the week and the impression he made was most happy. The gentleman is earnest, spiritual, devoted and vital wholly practical and a man who at once will attract by a kindly personality and genial, hearty manner, not afraid even to use a smile when in good taste and withal not at all of the austere, forbidding stamp but the opposite while lacking nothing in genuine reverence and ministerial dignity.

The services were in the parish house which permitted more freedom in many ways than would probably have been noted had the meeting been a regular service in the church. The gentleman did not at all attempt a regular discourse but rather favored his audience with a genuine heart to heart talk. He explained that the general convocation had arranged for a nation wide mission preaching service and he was here at the request of the bishop of the Springfield diocese and he was pleased and honored by the request. The church doesn't use the word revival but it does believe there is good in special services.

There are very few really great preachers in the world. Forty years ago he heard a truly great one and he felt unwilling to have him stop after he had been speaking an hour and a quarter. Preaching is the avenue of God's approach to man. Use the word of God; talk about it and get near to Christ; kindle a feeling of enthusiasm and earnestness. The he had been preaching 35 years the work was ever fresh; baptism, communion and all else had renewed force each time. So let us on this occasion get nearer to God, he quickened and aroused.

The gentleman told in a pleasing manner of his work; his great parish; the Episcopal orphan's home with its 111 little inmates with whom he holds such tender relations and then the boys' home which is his own especial work. He showed a picture of a group of his boys who had taken for him on his birthday. He told of a special protege who had won a Rhodes scholarship and had left the halls of Oxford and had devoted months to the relief work of the Belgians.

The keynote of the meetings is to be "Christ, the light of the world." Let there be a community of interest and a genuine, earnest effort to accomplish much good.

The following is the program for the mission:
Saturday, February 12—7:30 p. m. Conference for all church workers, etc.

Sunday, Feb. 13—Sixth Sunday after Epiphany. 7:30 a. m. Holy communion. 9:30 a. m., morning prayer and Sunday school. 10:45 a. m., Holy communion and sermon. 3:00 p. m., children's service. 7:30 p. m., mission service.

Monday, Tuesday, Wednesday, Thursday and Friday (14th to 18th), each day—7:30 a. m., holy communion; 10:00 a. m., morning prayer and Bible study; 4:00 p. m., evening prayer and conference; 7:30 p. m., mission service.

At the 4:00 p. m. services on Tuesday and Friday, the addresses will be especially for children.

There will be a special celebration of holy communion on Thursday, the 17th, at 6:30 a. m., when it is hoped that men (for whom the later hour is inconvenient) may attend.

George W. Hardwick of the region of Merritt was a visitor with Jacksonville friends yesterday.

WOMAN FACES MURDER CHARGE AT WOONSOCKET, R. I.

Mrs. Hallie Oakley to be Given Hearing in District Court.

Woonsocket, R. I., Feb. 11.—Mrs. Hattie E. Oakley, aged 39, a widow, charged with the murder of Almand Vadeboncoeur, will be given a hearing tomorrow in the District Court of Woonsocket. She was arrested last week as the person who sent poisoned cream puffs by mail to Henry Cassavant, a contractor of this city. Cassavant was also poisoned, but he recovered thru prompt medical attention. Jealousy is believed to be the motive the state will urge.

Not only is Mrs. Oakley charged with the murder of Vadeboncoeur, but she is charged with the attempted murder of Cassavant "by the administering of a large quantity of mineral poison called arsenic". She pleaded not guilty to the charges when she was arraigned last week, and has been held in the Providence jail.

Vadeboncoeur, the victim of the poisoned cream puff murder, was 28 years old, and left a wife and four children. He was employed by his brother at a wholesale liquor store, and was present when two weeks ago Cassavant received the package of cream puffs by mail. Cassavant ate two of the cream puffs and gave one to his friend. The latter died the same night, but Cassavant, after hovering between life and death, finally recovered.

For nearly a week the police tried to find a clue to the sender of the poisoned cream puffs. Mrs. Oakley had been asked to come to the station to throw what light she could of the mystery. She was questioned for over two hours, and was then placed in a cell.

The police claim that, prompted by jealousy of a domestic employed by a family in this city, she bought twenty cents worth of arsenic at a drug store, put it in the cream puffs, tied them in a package and sent them by special delivery to Cassavant. They claim Mrs. Oakley has admitted that she was friendly with Cassavant until four weeks ago, when his attentions slackened.

The admission of the purchase of arsenic has been made by the accused woman, say the police, but she claims that she did so at the suggestion of Cassavant, in order to rid her home of cockroaches. She has denied any jealousy of the domestic mentioned in the case.

Mrs. Oakley is said to have admitted buying cream puffs, but declared she had not bought any for a fortnight previous to the poisoning. She denied that the writing on the package was in her hand, or that she had sent the package to Cassavant, and declared she was on good terms with the man and had no quarrel with him or causes for quarrel.

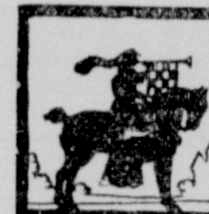

According to the story the accused woman told the police, she was married some sixteen years ago, but her husband died the following year. She has been keeping company with Cassavant for several years and had helped him in his business. She declared they were engaged to wed when his debts had been paid. On Monday, January 24, they went to the theatre together, she said, and Cassavant was at her home on the evening of the 25th. It was on the 26th, in the afternoon, that the mysterious package of cream puffs were received by the contractor. That evening he took the woman's supposed rival to the theatre, but when he reached the theatre door, he was weak and ill and went home. Then he called a doctor, who detected arsenic poisoning and used extreme measures to save the man's life.

Vadeboncoeur died the following day, the innocent victim of the poison cream puffs. The poisoning of the two men was traced to the mysterious package, and the police at once reached the conclusion that the sender was a woman. Mrs. Oakley lived with her parents and her station to urge the police to hunt for the murderer, and the police secured her admission that she had bought arsenic.

Naval and military affairs committees continued hearings on the national defense.

Military committee concluded hearings on army increase bills.
Hearings on administration ship purchase bill continued before merchant marine committee.
Adjourned at 5:22 p. m. until noon Saturday.

TITANIC MONUMENT NEARING COMPLETION

Washington, Feb. 11.—Work on the mammoth memorial to the men of the Titanic who went down in order that women and children might have a chance for their lives is nearing completion, and will be placed in position in Potomac Park, in Washington in the next few weeks.

The memorial will consist of a figure of a man standing with outstretched arms and will be of heroic size. The design is the work of Mrs. Harry Payne Whitney, formerly Miss Gertrude Vanderbilt of New York. She has supervised the cutting of granite monument at the quarry at Quincy, Mass.

The monument will stand 25 feet high. The figure of the man will be 13 feet high, and the distance from the end of one outstretched arm to the end of the other will be 13 feet.

The memorial is the conception of the Titanic Memorial Association, which aims to honor the memory of the brave men who stood on the deck of the sinking liner and made no effort to save themselves, forgetting their lives that women and children might live. It is a memorial of the famous tradition of the sea "Women and children first," and a fitting emphasis of the words: "Greater love than this hath no man that he lay down his life for his friend."

BRUNER CHARGED WITH VIOLATION OF MANN ACT

Henry Bruner was before Justice Dyer Friday on the charge of violating the Mann act. Bruner was arrested some time ago on the charge of carrying concealed weapons and was sentenced to jail and to pay a fine. He finished serving his sentence yesterday.

It seems that when Bruner, who is from Missouri, came to Jacksonville he brought a woman with him without the formality of marriage. This woman alleges that Bruner compelled her to practice prostitution for profit and then appropriated the money. The authorities were able to get her to swear out a warrant for Bruner under the Mann act. Justice Dyer fixed his bond at \$1,000 and in default he was returned to jail.

MCADOO SPEAKS AT MEMPHIS.

Memphis, Tenn., Feb. 11.—Secretary of the Treasury McAdoo, who is making a short tour of the South, will address a meeting here today.

Chicken Pot Pie

The Chef's Favorite

By Mrs. Janet McKenzie Hill, Editor of the Boston Cooking School Magazine

Some folks think that only "colored mamies" can cook chicken, but a trial of this famous chicken pot pie disproves that assertion. Every member of the family will thoroughly enjoy it.

K. C. Chicken Pot Pie, Baked Dumplings

One fowl cut in joints; 1/4 cup flour; 1/2 teaspoonful salt; black pepper; 2 cups flour; 3 level teaspoonfuls K. C. Baking Powder; 1/2 teaspoonful salt; 1/2 cup shortening; milk or cream.

Cover the fowl with boiling water and let simmer until tender, then remove to baking dish. Mix the 1/4 cup flour, salt and black pepper with cold water to a smooth paste and use to thicken the broth. Remove the fat from the top of the broth if necessary before adding the thickening. Pour this gravy over the fowl, until it is nearly covered, and reserve the rest to serve apart. Sift together the flour, baking powder and salt, three times; into this work the shortening and use cream or milk to make a dough, less stiff than for biscuits. Put this by spoonfuls over the fowl in the dish, which it should rest upon and completely cover. Let bake about 35 minutes.

When young, tender chickens are scarce, this presents a most satisfactory way of serving old fowls. And is much prepared in this manner is more satisfying than when served as a stew. Try this and the 25 other delicious recipes in the K. C. Cook Book, a copy of which may be secured free by sending the enclosed certificate to the K. C. Baking Powder Co., Chicago.

ABRAHAM LINCOLN.

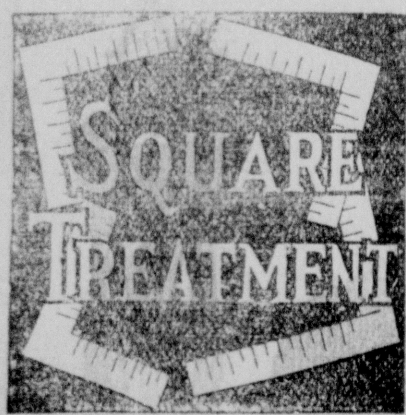

THE EYES OF LINCOLN

By Walt Mason

Sad eyes, that were patient and tender, sad eyes, that were steadfast and true, and warm with the unchanging splendor of courage no ills could subdue! Eyes dark with the dread of the morrow, and woe for the day that was gone, the sleepless companions of sorrow, the watchers that witnessed the dawn. Eyes tired from the clamor and goading, and dim from the stress of the years, and hollowed by pain and to ebbing, and strained by repression of tears. Sad eyes that were wearied and blighted, by visions of sieges and wars, no watch o'er a country united from the umbral slopes of the stars!

WILL ENFORCE LAW OF DRIVING OVER FRESHLY DRAGGED ROADS

The law relative to driving over freshly dragged roads will be strictly enforced in Morgan county in the future. L. V. Baldwin made this statement to a reporter for the Journal Friday. Mr. Baldwin is county superintendent of highways and at a recent meeting which was held by the various road commissioners this action was decided upon. Mr. Baldwin has asked the Journal to publish the following from the statutes relative to the matter.

This notice is given in pursuance of the enforcement of subdivision VII, Section 107; Paragraphs C and D of road and bridge laws, in force on and after July 1st, A. D. 1915; which read as follows:

"It shall also be unlawful for any person or persons to drive or cause to be driven a vehicle of any description in or upon any portion of the highway immediately after the same has been dragged and before such portion of the highway shall have partially dried out or frozen.

"Provide, that nothing in this section shall apply in those instances where it is impossible to drive with safety at one side of said dragged portion of road, or where a vehicle does not make a rut on such dragged portion of the road injurious to the work accomplished by use of the road drag or where a vehicle does not make a rut nearer than nine (9) feet from the center of the dragged portion of the road.

"Paragraph D. * * * The offender to be fined not more than ten dollars (\$10.00) nor more than twenty-five dollars (\$25.00) for the first offense, and for each subsequent offense shall be fined not less than twenty-five dollars (\$25.00) nor more than fifty dollars (\$50.00)."

(Amended by act approved June 28th, A. D. 1915.)

CONVERTED PRISONER CONFESSES.

Springfield, Ill., Feb. 10.—Henry Dean, alias Jack London of Wausau, Wis., converted when a group of prisoners were herded to a revival meeting here, tonight confessed that he was an escaped convict from the Tennessee penitentiary, where he was serving a sentence for holding up and robbing a freight train near Memphis in 1911. Dean escaped July 26th, 1914. Dean will be banded tomorrow. He told county authorities that he has a wife at Detroit, Mich.

AGED DANVILLE WOMAN DIES.

Danville, Ill., Feb. 10.—Mrs. Alice Ann Halls, aged 97, Danville's oldest woman resident, died suddenly tonight. She was born in England, in 1819, and came to this country in 1855. She is survived by four sons, one of whom is Colonel Tom Halls of Indianapolis, Ind., connected with the government secret service.

SUSPENDED CO-EDS FOR DANCING.

Bloomington, Ill., Feb. 10.—Twenty-five young women attending the Wesleyan University were given a two weeks' suspension today, for attending a dance recently, without securing permission from university authorities.

ATTENDED DANCE.

Misses Edna Leake of 840 West Lafayette avenue, and Miss Jane Pond of Hardin avenue, have returned from Springfield where they went to enjoy a leap year ball given by young ladies of the capital city.

BREAKS A COLD IN FEW HOURS--TRY IT!

First Dose of Pape's Cold Compound Relieves All Grippe Misery.

Don't stay stuffed up! Quit blowing and snuffing! A dose of "Pape's Cold Compound" taken every two hours until three doses are taken will end grippe misery and break up a severe cold either in the head, chest, body or limbs.

It promptly opens clogged-up nostrils and air passages; stops nasty discharge or nose running; relieves sick headache, dullness, feverishness, sore throat, sneezing, soreness and stiffness.

"Pape's Cold Compound" is the quickest, surest relief known and costs only 25 cents at drug stores. It acts without assistance, tastes nice, and causes no inconvenience. Don't accept a substitute.—Adv.

TRY "CASCARETS" FOR LIVER AND BOWELS IF SICK OR BILIOUS

Tonight! Clean Your Bowels and Stop Headache, Colds, Sour Stomach.

Get a 10-cent box now. Turn the rascals out—the headache, biliousness, indigestion, the sick, sour stomach and bad colds—turn them out tonight and keep them out with Cascarets.

Millions of men and women take a Cascaret now and then and never know the misery caused by a lazy liver, clogged bowels or an upset stomach.

Don't put in another day of distress. Let Cascarets cleanse your stomach; remove the sour, fermenting food; take the excess bile from your liver and carry out all the corrupted waste matter and poison in the bowels. Then you will feel great.

A Cascaret tonight straightens you out by morning. They work while you sleep. A 10-cent box from any drug store means a clear head, sweet stomach and clean, healthy liver and bowel action for months. Children love Cascarets because they never gripe or sicken.—Adv.

FEEDING HOGS FOR PROFIT

By JOHN M. EVVARD

Assistant chief in Animal Husbandry
Iowa Experiment Station.
(Courtesy Morris & Co.)

(Continued from Thursday.)

The oil meal and meat meal were fed in this experiment in such manner as to have the proportion between the protein and carbohydrate equivalent practically the same. It takes 2½ times as much oil meal as meat meal, proportionately to balance the corn ration. It is interesting to note that, counting the packing house material at \$30 a ton, oil meal in order to produce pigs at the same cost should necessarily have been bought for less than \$25. Of course, this figure is somewhat exaggerated, but nevertheless shows that for physiological efficiency the meat products are superior hog feeds. A mixture of oil meal and tankage should have shown much more favorable to oil meal feeding.

Linseed oil meal is said sometimes to cause abortion. This is probably caused in a number of instances by a sudden increase in the oil meal, or its abrupt addition in unduly large amounts to the ration when the sows are heavy in pig, thus inducing undue laxitiveness, which is always liable to cause miscarriage in the pregnant sow. Foreign authorities claim to have found considerable prussic acid (a very poisonous compound commonly known as hydrocyanic acid) in some linseed

shipments, which if present in American oil meals would of course be inclined to induce abortion thru its effects upon the nervous system, producing involuntary evacuations, twitching and other untoward effects. Keeping the linseed oil meal feeding is said to cause a greater production of the poisonous acid than if the stuff is not kept warm for a considerable period before feeding. It seems that the enzyme which does the "hydrolyzing of acid" acts best under moist, warm conditions. This is true of most enzymes. Milk sours more rapidly when kept warm than cold—this is an application of the same principle. But the truth of the matter is that oil meal may sometimes cause abortive troubles, and one should be on the lookout for developments along this line if oil meal is used very liberally with the brood sow. Of course, the procedure is to substitute the oil meal with a standard supplement on the first unfavorable signs. Ordinarily oil meal for brood sows is to be considered a reasonably safe feed, this being especially true if fed with animal supplements such as tankage.

What happened in 1913-14 with the rations, including alfalfa, which we fed? Here are the Ames figures on the same:

Effect of Rations Fed Glits on Resulting Litters.

Ration	No. in Litter	Size and Average Weight	AV. Circumference of Shins, Fore and Hind—Inches	Strength of Litters: Average—100 Equals Perfect
Corn only	5.6	2.12	1.86	79
Corn plus 200 per cent buttermilk	9.8	2.23	1.85	88
Corn plus 140 percent ground alfalfa	9.5	2.19	1.86	88
Corn plus alfalfa in rack	7.6	2.13	2.00	92
Corn plus 10 per cent meat meal	6.8	2.48	2.41	95

In spite of the fact that the "corn sows" protected themselves (and the word "protected" is used advisedly) in that they fertilized with 5.6 ova on the average, yet the pigs are not as large nor so strong as when suitable and efficient supplements are

used. Buttermilk, meat meal and alfalfa, ground or whole, are superior supplements to corn grain. Salt was allowed at free will, all lots.

The feed eaten and gains on these glits ran as follows:

	Average Daily Gain	Corn Grain	Supplement	Cost* per Day, Cost of Creditting a New Born Pig**	Actual Feed
Corn only	.37	4.11	None	1.82	.46
Corn and buttermilk	.51	2.85	5.83	1.45	.46
Corn and ground alfalfa	.59	2.11	3.00	1.49	.48
Corn and whole alfalfa	.50	3.94	.48	1.26	.39
Corn and meat meal	.49	3.24	.33	1.27	.43

*Corn, 50 cents (if ground, 53 cents a bushel); buttermilk, 25 cents per cwt.; alfalfa, \$19.00 (if ground, \$12.00); and meat meal, \$50.00 a ton.

**Crediting gains at \$5.00 per cwt.

It is quite suggestive that all glits receiving supplement to corn should make cheaper maintenance figures—suggestive that corn as the lone grain is inefficient physiologically (low gains) as well as economically (highest maintenance cost of all).

That the meat residue called tankage or meat meal should do so well is not particularly surprising because in all feeding trials at the Iowa Station it has uniformly been of much merit. The \$50.00 a ton looks big, but the superiority of the animal feed is not to be questioned. A happy combination of alfalfa and meat product should be ideal in physiological as well as economical virtues. This is especially significant if alfalfa is worth more than \$10 or \$12 a ton.

We have experienced some difficulty in getting some sows to eat sufficient alfalfa out of the rack in order to insure the "kind of litters hog men want"—hence the reason of our grinding procedure. The ground alfalfa mixed with ground corn most assuredly is a "sure shot" mixture, and one worries little about a lack of consumption under such regime of feeding. One year our yearling sows farrowed weak "corn alone sort" of litters because they simply ignored the alfalfa in the rack, good quality, tho it was. This word of caution may not be amiss: Be sure your glits and old sows carrying litters eat at least a half pound, better over a pound, of alfalfa daily; otherwise, if the deficiency is not remedied somehow, there'll be regrets expressed on farrowing day.

Corn, alfalfa and meat meal tankage should make an exceptionally good trio of brood sow feeds if happily combined. A suggestive ration which would be quite economical would be to give the sows, glits and older ones, enough corn to keep them in good condition, adding alfalfa a rack and giving them about 1½ to 2 pounds of meat product daily. The alfalfa may be ground and mixed with corn, say 100 pounds corn to 100 pounds alfalfa, and same allowed in a self-feeder. An average glit of 250 pounds will eat about 5 or 6 pounds of this daily, so to get the necessary tankage into it mix with every hundred about 5 pounds of this meat product. If the sows get too fat, increase the proportion of ground alfalfa accordingly—the results should be happy ones at farrowing time. Don't forget the common salt at free will, and plenty of good wholesome water.

And please do not forget that you govern the fatness of the sows by the amount or percentage of alfalfa you mix with the grain used; the fatter the sows get the more alfalfa should be fed (a bushel of grain, and vice versa. Act accordingly and

bran, oats, middlings, shorts, soy beans, clover and alfalfa are the logical supplements to corn in the agreeable substitute for pasture in the dead of winter, but have the objection in some sections of being somewhat expensive to produce. Corn, kafir, milo-maize, or sweet sorghum silage may perform a useful function in furnishing succulence, but should be regarded as a relish largely and not depended on for much real sustenance. Hogs will usually pick out the grains and finer textured leaves from silage and leave the remainder as waste. At the Iowa Station we have found that most excellent rations for glits carrying litters are:

1. Corn 88 to 90 per cent, meat meal or tankage containing 50 per cent protein, 10 or 12 per cent.
2. Corn 50 per cent, finely cut clover or alfalfa 50 per cent.
3. Corn 80 per cent, chopped clover or alfalfa 10 per cent, meat meal or tankage 10 per cent.
4. Corn 30 to 50 per cent, skim-milk or buttermilk 30 to 70 per cent.
5. (For Self-Feeder.) Corn, ground, 47.5 per cent, alfalfa, ground, 47.5 per cent, and meat meal tankage 5 per cent.

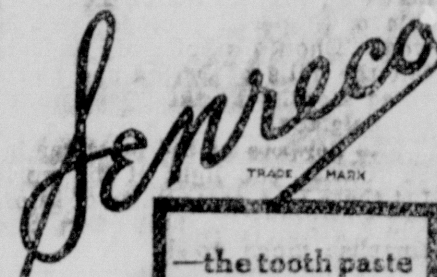

If sows fatten too much increase proportion of ground alfalfa. For old sows the proportion of meat meal, tankage, or milk can be cut down practically one-third to two-fifths and still get excellent results.

Stronger, healthier litters having more hair, more color and more bone have been the result whenever we added a suitable protein and ash supplement to corn. When we selected our supplements wisely we also got not only cheaper but stronger pigs. At present prices, for concentrated purchased protein and ash supplements, meat meal and tankage are our cheapest source, but one must study the market at all times and buy his supplements advantageously.

BURY COL. HEPBURN.

Clarinda, Iowa, Feb. 10.—Business in Clarinda was suspended for an hour at 3 o'clock this afternoon, while funeral services were held for Col. Wm. P. Hepburn, former congressman who died here Monday.

The body lay in state at the Methodist church from ten a. m. until 3 p. m. The local G. A. R. and Masonic order had charge of the services. A memorial service will be held in district court here tomorrow morning.

WORLD'S MARKET NEWS

**CONTINUANCE OF EUROPEAN
DEMAND STRENGTHENS WHEAT**
Sharp Upturns Come at the Opening
When Liverpool Dispatches Tell of
Urgent Need of Supplies.

Chicago, Feb. 11.—Strength
showed itself in the wheat market
today as a result of continuance of
European demand. The close, alto-
gether unsettled with 4 to 5c net higher,
with May at 1.28@1.28½ and July
at 1.21½.

Corn finished ½c down, and oats
off ¼c to ½c.
In provisions the outcome was 5c
to 15c advance.

Sharp upturns came at the open-
ing when Liverpool dispatches told
of urgent need of supplies for Brit-
ish millers. After values had soared
a gain of profit-taking by molders
set in on a liberal scale that the
advance seemed likely to be wiped
out.

It was not until after the wheat
market had closed that definite esti-
mates of export sales put the total
at 2,700,000 bushels. This big ag-
gregate, too, included 1,500,000
bushels said to have been purchased
by the Greek government. Complete
verification of such a sale having
been entirely negotiated could not
be obtained.

Slugs of heavy receipts on Monday
acted in the corn market as more
than an offset for an early advance
due to reports of serious crop dam-
age in Argentina.

Oats were governed almost wholly
by the fluctuations of corn.
Provisions seemed to be desired
by a new set of investors.

Chief attention was given to ribs.
Chicago Livestock Market

Clears Complexion

Don't worry about skin troubles. You can have a clear, clean complexion by using a little Zemo, obtained at any drug store for 25c, or extra large bottle at \$1.00.

Zemo easily removes all traces of pimples, black heads, eczema, and ringworm and makes the skin clear and healthy. Zemo is neither watery, sticky, nor greasy and stains nothing. It is easily applied and costs a mere trifle for each application. It is always dependable.

Zemo, Cleveland.

A CLEAR COMPLEXION

Ruddy Cheeks—Sparkling Eyes—Most Women Can Have

Says Dr. Edwards, a Well-Known Ohio Physician

Dr. F. M. Edwards for 17 years treated scores of women for liver and bowel ailments. During these years he gave to his patients a prescription made of a few well-known vegetable ingredients mixed with olive oil, naming them Dr. Edwards' Olive Tablets, you will know them by their olive color.

These tablets are wonder-workers on the liver and bowels, which cause a normal action, carrying off the waste and poisonous matter that one's system collects.

If you have a pale face, yellow look, dull eyes, pimples, coated tongue, headaches, a listless, no-good feeling, all out of sorts, inactive bowels, you take one of Dr. Edwards' Olive Tablets nightly for a time and note the pleasing results.

Thousands of women, as well as men, take Dr. Edwards' Olive Tablets now and then just to keep in the pink of condition. Dr. Edwards' Olive Tablets, the successful substitute for calomel—10c and 25c per box. All druggists.

The Olive Tablet Company, Columbus, O.

NURSE RELIEVES MUCH SUFFERING

The Patient She Helped Makes Interesting Statement.

Madison, Wis.—Mrs. Oscar Day, of 1606 Monona Ave., Fair Oaks, this town, says: "Before my baby was born, I suffered terribly with womanly troubles and nervousness, and was living in a state of fear all the time. One day, an old friend of mine, who, by the way, is a nurse, and goes around to all cases, brought me a bottle of Cardui, the woman's tonic, and told me to keep on taking it right along. I did, and felt much better after the first bottle. I kept on taking it, and had no little trouble as anybody could wish for. Feeling very good now.

There never was a better medicine for women than Cardui, and I will recommend it to any one who is in need of it. This nurse uses Cardui with her patients, so it is well known all around here.

I am never without a bottle of Cardui in my home."

We urge you to try Cardui, the woman's tonic, for your troubles. It will help you over the hard places, just as it has thousands of other women.

Don't delay. Begin taking Cardui today. You won't regret it. NCRS

REPORTS TO BRADSTREET'S INDICATE ANOTHER BUSY WEEK

Speaking in a General Sense Industry is Sold up for Months to Come.

New York, Feb. 11.—Bradstreet's tomorrow will say:

"Another busy week, busier, perhaps, than ever before at this season, is indicated by reports to Bradstreet's Journal this week. Speaking in a general sense industry is sold up for months to come, scarcity of materials is patent, demand is apparently insatiable, regardless of prices, and the country is confronted by an extraordinary situation. On the other hand the situation in general is marked by certain drawbacks. Complaints about high prices in many lines affecting profits are growing more numerous, steel mills are confronted with the problem of how to satisfy home consumers at much lower prices than foreign business commands, labor is restive, the year to date having been marked by many strikes, while the outlook as regards grievances of coal miners and Western railway employees is clouded and demand for pig-iron suggests more or less inertia, which causes conservatism among buyers who seem prone to look for price concessions.

"Weekly bank clearings \$4,228,510,000."

A CARRIERS' ADDRESS

In the olden days it was customary for daily paper carriers to have prepared some kind of an address which they took around to the subscribers who were supposed to bestow a coin on the carrier in exchange. The following are the last paragraphs of a carrier's address of 1862:

The dark for us the future seems, we'll pray,
There yet may be a brighter, better day;
A day when war will smooth his wrinkled face,
And peace secure assume her wonted place;
When wrong subdued shall cease her stylized hell,
And there, no muttering oft, forever dwell!
But, O my countrymen, let's not again
Forget the lesson of our myriad slain!
Let's not forget, there never is an hour
When government may seem without full power,
But ever feel, the life words for the free,
"Eternal vigilance the price of liberty."

For home—indeed, there's much to say for home—
So much, in fact, for more we needn't roam;
First note that most Lutheran of reforms,
Was brought to Jacksonville a diet of worms.
O Tempora! O Mores!—then, my lyre
What havoc hath been made with fire
Our engines seem to have been quite to far
Converted into engines all of war,
But list, my muse, the bright side's joyous call—
Now turn and view Athena's fairy hall!
Fair eh? yes, even in itself 'tis fair—
But much more so, when all the fair are there
And as for deeds of charity—and thoughts—
We've been, as ever par excellence,
God wots.
The men are good for war, they ain't for good,
Since this resides alone in womanhood.
But lest the year get old before I've done,
I'll repeat, a happy new year, every one.

GET RID OF SCRUFULA

HOW? TAKE S. S. S.

Fifty Years' Use Proves S. S. S. Will Relieve Stubborn Cases.

You have noticed the little festering pimples on the face and body—swelling of the glands—soreness in the legs and arm muscles. These are the symptoms of Scrofula. You may have some of these symptoms, possibly the taint of Scrofula infection. But in either case, it is a dangerous condition. Your blood is infected, impure, and you can never hope to gain perfect health until the impurities are washed from the system. If you feel badly all the time, you must drive health. If you want to feel renewed spirits, the glow of perfect health, bright eyes, clear skin, the knowledge that you are well, you can do so. Cleanse your blood by taking S. S. S. Fifty years it has been the standard blood purifier. It relieves the trouble by renewing the blood, renewing its strength, and stimulating the flow so that the blood regains its lost vitality, and throws off the poison. Even long-standing cases respond. But you must take S. S. S. Take it for all blood infections. Get it at your druggist's today.

If you need special advice write the Swift Specific Co., Atlanta, Ga.

Some Topics of the Farm

From Wallace's Farmer:

This is the beginning of the second year of our county farm agent, and I am frank when I say to you that we are starting in this year with the farmers thoroughly enthused and taking more interest in their business than ever was known before in this county. Our county agent, in connection with our county school superintendent, has thoroughly organized this county, and practically every school district in the county has a farmers' organization, which meets regularly, and the enthusiasm created by these meetings is working wonders, not only with the children, but the older ones. Those opposed to the county agent when first employed, are falling in line, and are now among the leaders in this work.

We held a seed corn sale recently. It was held under the most unfavorable circumstances, the roads being almost impassable, and the ground covered with sleet. It was impossible for many of those having corn for sale to get their corn here, and, to be conservative, will state that three-fourths of the corn sold was shipped here by express. Much of the corn contributed to this sale was tested by the schools, and with each bushel of corn sold there was attached the germination test.

A total cost, including seed, fertilizer, harvesting and ground rent, of \$38.57. The corn at 60 cents a bushel was worth \$70.80 and the profit therefore was \$32.23.

This is how he said he did it: "With the help of the farm advisor, I picked out the very best seed. The land was a rich creek bottom which had been in red clover for two years and one year in corn. It was plowed in the fall in order to turn under the stalks, leaving them to decay until planting time. In the spring I plowed it seven inches deep. In April I double-disked it both ways and double-harrowed it and then dragged it. I drilled the corn three feet and eight inches apart in rows with the stalks 12 inches apart.

"The first cultivation was a deep one, but later ones were not so deep. The last one was with a one-horse five shovel plow. During the last two cultivations I applied 125 pounds of commercial fertilizer, spreading it in the middle of the rows and following it with the plow. I also applied four loads of barnyard manure. I went thru my corn once with the hoe in order to cut out the weeds that I could not get with the plow."

THE GERMAN WAY.

An argument for greater attention to problems of the soil has been produced from the present war. Germany it is agreed occupies the present strong position partially because the science of keeping up soil fertility has long been mastered there. If American farmers knew as much about the soil and made it productive as much as their German brethren, the farms of the United States would now be yielding fully double, and enough would be produced not only to feed the United States but the countries of Europe as well. Statistics show that only about 45 per cent of the lands of the United States are productive and that the average land is producing at least 50 per cent less than it should under favorable conditions and with the best methods of fertility and tillage applied.

Berlin is admitted by many well posted to be the model city of the world in many respects. For instance: the sewage is saved and used to reclaim hundreds of acres of waste land otherwise worthless. The amount of fertilizing material sent into rivers by the cities of this land is simply colossal. Were such a practice in vogue in the orient, China and Japan would long have been depopulated. Few animals are to be found in those lands and hence the material sent down stream in other cities is saved there directly. Hardly if ever is a water closet to be found in either country but what would be sent into such an affair in this country is caught in hopper, and carried out on the land.

Berlin has a better and more sanitary and scientific way of accomplishing the same object. Some time since Dr. E. E. Baker of this city outlined a plan of saving the sewage of the city but it was never carried out tho the plan has been declared feasible.

MISSOURI BOY RAISES 118 BUSHELS OF CORN ON ACRE

Columbia, Mo., Feb. 11.—Oscar Linehart of New Hamburg, Mo., is the champion corn raiser of the state. He raised 118 bushels on one acre at

FEEL IN CARROLL ESTATE CAUSES CIRCUIT COURT SUIT

Attorneys Have Sharp Interchange of Words—Various Orders Entered by Judge Jones.

John A. Bellatti and James O. Priest had a battle of words in the circuit court late Friday afternoon. The trouble came about from a question asked by Mr. Bellatti of Mr. Priest who was on the witness stand, and the subsequent answer by Mr. Priest. For a time both attorneys had their "dander" up right and Judge Jones was compelled to rap for order and then called Deputy Sheriff Andrews.

The case in progress at the time concerns the final report of Michael White, executor of the estate of Catherine Carroll, deceased. It will be remembered that there was some litigation over the estate in the probate court. Mr. White, the executor, engaged W. T. Wilson and John M. Butler as his attorneys. The fee allowed the attorneys was \$500 or \$250, each. Judge Thomson cut the fee down and ordered the executor to recast the report. The executor took an appeal to the circuit court.

In the hearing Friday various attorneys were being placed upon the witness stand. It was the purpose to show by these attorneys what the customary fee was in similar cases and as to whether in their opinion the fee in question was excessive.

A number of attorneys had been called and everything was peaceable. Thomas Worthington had just left the stand when Mr. Butler called J. O. Priest. The examination by the attorneys for the executor was very brief. Mr. Bellatti asked Mr. Priest several questions. Finally he asked him if he knew of a similar case where a local attorney had received such a fee as the one in controversy. Mr. Priest gazed at the ceiling and said that he had and mentioned the case and the attorney. Mr. Bellatti then asked him if he knew of any others. Then Mr. Priest again meditated deeply. His reply was that he called to mind a case where John Bellatti had received a fee of \$5,000. Then the bomb exploded. Both attorneys used some violent language, and shook their fists.

In the meantime Judge Jones was rapping sharply for order, and later called for Deputy Sheriff Andrews.

The following orders were entered.

Law

Sarah E. Dewese vs. Samuel B. Dewese, reversal of judgment. Court finds the issues for the plaintiff and assesses his damages and debts at \$894.59 and judgment in fa-

A GOOD RECORD.

As has already been stated, Jacksonville was well to the front with the sale of Red Cross seals for the Anti-Tuberculosis society. Its 5.62 seals per capita shows up quite well in comparison with the 3.62 in Springfield. Even Alexander, small as it is, is entitled to special credit with a sale of 650 seals in a population of 300 or 2.16 per capita. The great work of the society needs no comment for its beneficence is known to all and it is gratifying to see such good results in our own city and neighboring town of Alexander.

MRS. JANE SWAIN ILL.

The venerable Mrs. Jane Swain of the vicinity of Hebron church is a sufferer with rheumatism which has troubled her for a number of weeks and seems to have no intention of letting go. The worthy lady is 87 years of age and her enfeebled condition makes recovery more slow and difficult. Many friends will unite in a desire for speedy return to health on her part.

COURT NEWS

Probate Court.

Estate of Rebecca W. Metcalf, petition for probate of will. Proof made of due execution of will and same ordered admitted to probate as the last will and testament and codicil of Rebecca Metcalf.

Estate of Rebecca W. Metcalf, petition for letters testamentary heard and allowed. Bond waived and ordered that letters testamentary issue to Albert C. Metcalf.

Estate of Daniel Hamilton, inventory approved.

Licensed to Marry.

Archa Hill, Roodhouse; Miss Estelle Stewart, White Hall.

Will Filed for Probate.

The last and testament of Rebecca W. Metcalf has been filed for probate in the county clerk's office. The will leaves all property to Albert C. Metcalf, who is made executor without bond. It is dated September 15, 1913, and is witnessed by Joseph R. Barker and Fannie E. Barker. A codicil to the will, dated February 4, 1915, requests that the executor be not required to make inventory or appraisement.

Both Phones 33. "Thirty Years in Business"

Children Cry for Fletcher's

CASTORIA

The Kind You Have Always Bought, and which has been in use for over 30 years, has borne the signature of *Dr. H. H. Fletcher* and has been made under his personal supervision since its infancy. Allow no one to deceive you in this. All Counterfeits, Imitations and "Just-as-good" are but Experiments that rifle with and endanger the health of Infants and Children—Experience against Experiment.

What is CASTORIA

Castoria is a harmless substitute for Castor Oil, Paregoric, Drops and Soothing Syrups. It is pleasant. It contains neither Opium, Morphine nor other Narcotic substance. Its age is its guarantee. It destroys Worms and allays Feverishness. For more than thirty years it has been in constant use for the relief of Constipation, Flatulency, Wind Colic, all Teething Troubles and Diarrhoea. It regulates the Stomach and Bowels, assimilates the Food, giving healthy and natural sleep. The Children's Panacea—The Mother's Friend.

JACKSONVILLE TOO
FAST FOR PAWNEE

SANGAMON COUNTY LADS DEFEATED BY SCORE OF 50 TO 13

Locals Turn Tables on Visitors and Game Was One Sided Affair—Large Crowd Present to Witness Contest.

A large number of basketball fans witnessed a one sided game last night in the David Prince Gymnasium, when the Jacksonville High trimmed the Pawnee high quintet by a score of 50 to 13. The Jacksonville men fairly swept the visitors off their feet and baskets were made in such rapid succession by the locals that the score keeper almost ran out of chalk.

In the former game played at Pawnee, the game went overtime and was won 35 to 37 by Pawnee. Pawnee has a much smaller floor than Jacksonville and they appeared unable to find themselves on the strange floor last night. The Jacksonville lads showed lots of pep, which is probably due to the fact that Coach Huber has not been working them so hard this week. Tomlinson played a big game, making 26 points, and the whole squad displayed good team work. The score:

Pawnee:	FG.	FT.	TP.
Jordan, rf.....	1	0	2
Miller, lf.....	3	0	6
Chambers, c.....	2	3	7
Martin, rg.....	0	0	0
Wright, lg.....	0	0	0
Sallinger, g.....	0	0	0

Totals.....	5	3	13
Jacksonville:	FG.	FT.	TP.
Boxell, rf.....	3	0	6
Andrews, lf.....	4	0	8
Tomlinson, c.....	12	2	26
Marshall, rg.....	3	0	6
Hull, lg.....	2	0	4

PHI ALPHA PROGRAM.

Phi Alpha society met in their hall last when the following program was given:

Essayists—
Ennis—The Honor System of Illinois college.
Shafer—Conservation of Potash.
F. Davis—Inequality of Opportunity.
Declaimers—
I. La Rue—From the Life of Garfield.
Zink—The Victory of Marengo.
Select Reader—
Gouveia—Selections From Dombey and Sons.
Extemporizer—
Newell—"Cribbing".
Debate—Resolved, that Illinois College should adopt the Missouri system of grading. Affirmative, R. Davis and Stein; negative, Heath and Mellor. The ability and merits were both won by the negative. After the meeting a social time was enjoyed in the club rooms of the society.

Don't forget to attend T. E. Laurie's sale, Feb. 15.

Mrs. D. A. Cox and daughter, Miss Beatrice, stopped in the city Friday morning on their way from Barry to their home in Bremen, Ill. They are visiting at the homes of Mrs. Cox's sisters, Mrs. R. Large of West State street, and Mrs. J. Leach, south of the city.

WESLEY KEEMER DIES AT
LATE HOME IN MILTON

Was Former Resident of Winchester—High School Gives Lincoln Program—Bluffs Defeats Winchester.

Winchester, Feb. 11.—The many friends of Wesley Keemer will regret to learn of his death, which occurred at his late home in Milton Friday evening at 9 o'clock. He was taken ill Sunday night with pneumonia. He had often visited in Winchester and lived here for seven years. He was a visitor here two weeks ago. The funeral will probably be held Sunday.

Mrs. Earl Owings and baby returned to their home in Canton after a visit here at the home of Mr. and Mrs. George Owings.

Mrs. Henry Northern and little daughter arrived Friday noon from Greenfield to visit with relatives.

Mrs. Bert Clark and little daughter and sister, Miss Elsie Edmondson left Friday for a visit in Clayton.

Mr. and Mrs. Charles Ross of Alsey were visitors here Friday.

Dislocated Shoulder.

Mrs. Julia Bierbrauer had the misfortune to fall and dislocate her right shoulder yesterday.

Bluffs Wins Game.

In a hotly contested game of basketball played here tonight, Winchester lost to Bluffs by a score of 22 to 23. It was an overtime game and the referee gave them five minutes of time to play off the tie. During that time Winchester was ahead but lost before the game ended.

Lincoln Program.

In honor of Lincoln's birthday, a program was given in the High school assembly room Friday evening. There was a large audience present and members of the G. A. R. attended in a body. The following program was given:

Duet—Ruth Coultas, Mildred Carter.

Lincoln's Gettysburg address—

Ralph Gillham.

Old Glory Sentiments—Sophomore class.

Instrumental solo—Isabel Smithson.

Address "Preparedness"—Wayne Hill.

Military Training—Minnie Weeder.

Selection—W. H. S. Orchestra.

Theme on Lincoln, Presentation of the Flag.

Sweedish Gymnasium—Girls of the Freshmen class.

Selection by Orchestra.

Contest in Story Writing.

There was a story writing contest on the subject of Lincoln, which was won by a member of the Senior class, Madeline Hainsfurther. The judges in the contest were Rev. D. H. Toomey, Mrs. W. D. Gibbs and Prof. Henry Higgins. The prize was a silk flag to the class and the presentation speech was made by J. H. Coats.

The contestants and their classes follow:

Freshmen—Ralph Gillham.
Sophomore—Ruth Coultas.
Juniors—Louise Townsend.
Seniors—Madeline Hainsfurther.

Knoles will not carry over winter goods; try him and see.

WAVERLY WINS TWO
BASKETBALL GAMES

Defeats the Undefeated Manchester Team by a Score of 25 to 15—Second Team Takes Franklin High Into Camp, 17 to 13.

Waverly high school first and second teams went on a rampage last night on their own floor and cleaned up Manchester high by a score of 25 to 15 and took Franklin high into camp by a score of 17 to 13.

Up till last night Manchester had never met a defeat this season and the Scott county lads had defeated the strong Jerseyville team twice. At the end of the first half the score stood 15 to 10 in favor of Waverly. The line-up for Waverly was: Swift and Rogers, guards; McMahon, center; Lyons and Hughes, guards. Manchester—Sloan and Lakin, guards; Antrobus and Correa, guards; Jasper, center.

Franklin vs. Waverly.

In the game against Franklin high, which ended in a score of 17 to 13 in favor of Waverly, the Waverly coach used four second string men and kept alternating the first team by putting one man in at a time. Both games were witnessed by the largest crowd that has ever seen a basketball game at Waverly. The subs used were Buras, Allen, Kennedy, Holbaker and Redfern.

EXCURSIONISTS TO CHICAGO.

Over one hundred people took advantage of the excursion to Chicago last night over the C. and A. and the Wabash roads. Among those going were T. H. Buckthorpe, Mary Osborne, Byron Kost, Misses Dorothy and Helen Leck, Edna Cox, C. A. Johnson, William Wood, Mrs. William Craig of Woodson and Mrs. Emma Hoover and mother, Mrs. Pires, Earl Richardson, John Guyette, Julius Meyers, Mr. and Mrs. William Newman, Jr., Mrs. L. Brown, Mr. and Mrs. William Huffman, Henry Muehlhausen, Charles Douglas Hickey, and James A. Scott.

WOUND DOCTOR AND ASSISTANT

St. Louis, Feb. 11.—Dr. A. F. Johnson and his assistant, Charles Lody after being lured to a room in a popular hotel here tonight were attacked and probably fatally wounded by four men, believed by police to have been their partners. A man registered as W. E. Arnold of Mobile, Ala., was slashed across the throat and two other men were cut during the mysterious fray.

NATIONAL
PAY-UP WEEK
FEBRUARY
21 TO 26 '16

TAKE advantage of the values we are now offering and save money.

RETAIL prices must advance, as manufactures have done.

This Week We Are Offering Some

Rare Bargains

Tapestry Rugs—9x12. Was \$15.00, Now \$11.50. Floral or Oriental patterns.

Burmah Body Brussels—9x12. Was \$17.50, now \$14.00. A splendid choice rug for hard wear. Choice all over patterns.

Smith-Axminster—9x12. Worth \$25.00, at \$21.50. Just the rugs for parlor or living room.

In our Drapery Department we are offering some BIG BARGAINS in Curtains and Curtain Goods.

New Process Linoleums, the goods that have proven to be the best for the hardest wear, Choice patterns at 50c and 65c.

Don't think these are all the bargains we offer but come in and get our prices.

Johnson, Hackett & Guthrie

February Sperry Magazines have arrived. 24 Green Stamps advantage of our man-tailored skirts. When you can buy a skirt made of Capps & Sons mannish materials, all wool and made to your order for the price of the ordinary ready made skirt, why shouldn't every lady have a skirt to fit? You know the cheap ready made has no individuality; usually made of 50 part wool goods and generally has to be altered. We are getting near the hundred mark. Ladies who bought a skirt want another. It is nice just to select your material and say you have my measure. It's no trouble at all. This helps you to a new suit too. Have your jacket made here and you'll get a tailor made suit cheaper than the usual cheap made to sell. More ladies have skirt making department to good dressing that's been done. This be worn so much and are a necessity. We make them from \$1.25 to \$2.25. Just think, an ACCORDEON PLAID SKIRT FOR \$1.25. Just buy your material and we do the rest for \$1.25. We want you to know more about our skirt making. We are getting in nice new materials for dresses and skirts. Some of the prettiest and newest silks for waists, styles that are scarce now and later you can't get them at all. The early bird this year will be the one that gets nearest to what she wants. There's going to be a big shortage. But don't forget to investigate the skirt proposition at

Charles F. Allen.

Charles F. Allen of Blue Anchor, N. J., who is to conduct the singing at the revival services soon to begin at the First Baptist church, comes here well recommended. Evangelist Milton S. Reed, who held a revival here a short time ago, in speaking of him says:

"Charles F. Allen, for years the Musical Director in the great campaigns conducted by Rev. J. Wilbur Chapman, D. D., also for four years was director of music at the great Winona Bible Conference, Winona Lake, Indiana, and for the last six summers has had charge of the music, directing the large chorus at the Lemon Hill association meetings, Philadelphia. He has led great choruses from ocean to ocean, both in the United States and Canada. The greatest chorus singing in evangelistic campaigns I have ever heard was conducted by him. I have known him personally for years. He is not only a great director of Gospel music, but is a most devoted Christian. He is pure gold. We are just finishing a great campaign in Cohoes, N. Y., in the midst of a most conservative community, and he has won all hearts and the people agree they have never heard in the city such Gospel singing."

HAVANA WOMAN DIES.

Springfield, Ill., Feb. 11.—Mrs. S. E. Krebaum of Havana, Ill., aged 83 years, a cousin of Eugene Field, died at her home today.

FOR SALE—Dandy 80 acre, near Sinclair. Price right, terms, ditto. Buckthorpe. 2-12-31

You will find it worth while to keep an eye on this counter. You will find it particularly attractive for supplying children's footwear wants. Always something attractive at special prices.

COMMISSION WILL EXPEDITE RATE CASE MUCH AS POSSIBLE

Practically All Work Must be Completed When Rate is Announced even if Opinion is Not in Court Form.

Mayor H. J. Rodgers and John A. Bellatti have returned from Chicago where they went to attend a hearing before the utilities commission, and John J. Reeve is to return today. As already outlined in this paper, the purpose of the commission hearing was to present a petition signed by all parties to the Jacksonville rate case asking that the commission give an early announcement of the rates which will be ordered, permitting the written brief to go over to such time as more nearly meets the convenience of the commission.

The hearing was held before Commissioners Shaw, Thompson and Funk, and a petition setting forth the facts above was filed signed by A. D. Stevens, attorney for the petitioners, H. I. Green, attorney for the Jacksonville Railway & Light company, and John J. Reeve, city attorney. It was asked in this petition that the commission make it possible thru the filing of stipulation showing that parties to the case will not make an appeal, to have the rates which will be ordered, made known at an early date.

The petition set forth that the petitioners and the company are agreeable to such a procedure and that the purpose of asking an early announcement of rates was so that questions relating to paying now at issue between the city of Jacksonville and the company may be settled without further delay. The company some time ago announced its unwillingness to authorize expenditure, for paying until after announcement had been made by the commission of the rates for gas and electricity which are to be in effect here.

Mayor Rodgers said yesterday the commissioners indicated they willingness to announce the rate just as soon as possible and that they would endeavor to do this shortly. They indicated, however, that before the rates could be announced, practically everything necessary for a formal written opinion would necessarily have to be in shape. One point which will be of special interest with reference to the rate announcement will be as to the date when the rates will become effective. If the company is ordered to reduce the schedule of rates for gas and electricity, the commission may also order that these rates shall be effective from the date when the petition was filed, which was about eighteen months ago. Such an order has been issued in some instances but the commission does not have a rule governing the matter.

Day and night taxi service, 25c per mile per passenger. Phone 665.

IMPORTANT DRAINAGE CONFERENCE

An important conference on drainage and related subjects will be held at the University of Illinois under the auspices of the department of civil engineering, March 8-11, 1916.

Land reclamation, flood protection, levee construction and the importance of such work to the agricultural interests of the state are subjects which will be discussed by engineers and contractors who have specialized in such work.

The program includes the names of such men of prominence as George Parsons, president of the national drainage congress; Edmund T. Perkins and Isham Randolph, consulting engineers; S. H. McCrory, chief of drainage investigation, United States department of agriculture, and W. L. Park, Illinois Central railroad.

The practicability will be considered of having an annual short course in drainage engineering under the direction of Professor F. H. Newell, head of the department of civil engineering and formerly director of the United States reclamation service.

All who are interested in the subjects mentioned are cordially invited to attend. The department of civil engineering, Urbana, will send full information on request.

Big bargains await careful buyers at Knoles' clothing house.

WABASH FIREMAN INJURED.

Martin Driscoll, Sr., Wabash fireman, residing at Griggsville, was injured by a fall recently and has been unable to attend to his work since that time. He slipped on the ice and fell in such a way that his arm was broken at the wrist. Mr. Driscoll has been in the service of the Wabash for a long period.

MONDAY IS VALENTINE DAY.

Order cream candy hearts any size, ice cream in heart shaped bricks, napkins of appropriate styles, and other special Valentine decorations.

You can have ice cream of any flavor and just the cake you want, delivered when you want them.

MERRIGAN'S.

TO GIVE BOX SOCIAL.

The members of the Murrayville M. E. church are trying to pay off an old debt and tonight they expect to hold a box social and tea in Carlson's hall, under the auspices of the Woman's Foreign Missionary society. The league will give a farce entitled "Dr. Cure All."

Go today and see how cheap Knoles will sell you a good overcoat.

CARD OF THANKS.

We wish to thank the many friends and neighbors who assisted us so kindly during the illness and death of our beloved husband and father, B. F. Ragsdale; also for the many beautiful floral remembrances.

Mrs. B. F. Ragsdale and Family.

WOMAN'S CLUB OF BLUFFS ELECTS ANNUAL OFFICERS

Mr. and Mrs. Charles Willis to Give Birthday Party Thursday Evening—Other Bluffs News.

Bluffs, Feb. 11.—Miss Fay Summers came over from Manchester Thursday for a visit with her sister, Mrs. Samuel Rockwood.

Miss Amy Martin, teacher in the primary grade was called to Versailles, Thursday by the serious illness of her father. Mrs. Charles Hale is teaching during her absence.

Mrs. Ada Quintal expects to leave soon for an extended visit with son, Clifford of Crystal City, Tex.

At the regular meeting of the Woman's Club Tuesday the following officers were elected for the year: Mrs. O. A. Woodson, Pres.; Mrs. E. L. Kendall, Vice-pres.; Mrs. G. W. Reese, Sec.; Mrs. H. D. Moore, Cor. Sec.; Mrs. J. E. Arndel, Treas.; Mrs. H. Corbridge, Critic. The next regular meeting will be with Mrs. Chas. Hale, Feb. 22.

Mrs. Ralph Holliday will entertain the members of the Monday club at a Valentine party at her home Monday evening.

W. E. Black, the south side butcher has purchased a farm near Elys and expects to move on same in April.

Miss Helen Rockwood and Miss Fay Summers expect to visit friends in Jacksonville Saturday.

Mrs. Harry Pina left Friday to join her husband in Peoria where he is to be Supt. of Agencies for the Avery Co. She was accompanied as far as Springfield by her sister-in-law, Mrs. Minnie Pina.

Ruth and Donald Moore have returned from Huntsville, where they went to attend the wedding of their aunt, Miss Minnie Green, which occurred Tuesday.

Mr. and Mrs. Frank Ashley have returned from Chicago where they have been visiting their son, Leon. They were accompanied home by their little grandson.

Mr. and Mrs. Charles Willis gave a birthday party Thursday evening in honor of their son, Charles' 13th birthday. Fourteen young friends were entertained and enjoyed the evening immensely.

John Morgan expects to leave soon for Rosedale, where he expects to make his future home.

MADE ASSISTANT CASHIER.

Bryant Warren of Mt. Vernon, a former student at the Jacksonville Business college, was recently made assistant cashier of the Ham National bank. Mr. Warren left this city in 1914 and has since had a bookkeeping position in the bank. He will receive many congratulations from friends in Jacksonville on this promotion, which took place the first of the year.

A. L. FRENCH WILL SEEK STATE COMMITTEE MEMBERSHIP

Large Banker Has Been Identified With Republican Politics for Long Period.

While he has not yet started circulation of petitions, A. L. French stated Friday that he will be a candidate from this congressional district for member of the Republican state central committee. Within a short time it is the intention of Mr. French to have petitions circulated in the several counties of the district, which will insure his name a place on the ballot in the election in April.

Mr. French was a member of the Illinois railroad and warehouse commission from 1900 to 1906, and from 1902 to 1904 was a member of the Republican state committee. He has long been identified with Republican politics in Morgan county and is the oldest member of the Morgan county Republican central committee in point of service, as he has represented the Chapin precinct on the committee for considerably more than twenty years.

LEGAL HOLIDAY.

The banks of this city will observe Lincoln's birthday Saturday, February 12, and will not be open for business on that date.

Jacksonville Clearing House Assn.

AT THE GRAND.

Three of the best acts ever seen in the Grand opened Friday afternoon for a two days' engagement. All of them met with hearty approval and many words of commendation were heard for Manager Johnson for his enterprise in booking such excellent acts for his patrons. Brown and Elliott in "Hird and Fired", are the scream of the bill. They have one of the funniest acts ever, and some of the stuff is so funny that it makes Leo Johnson laugh. Hoey and Lowell do a singing and talking act that is good and they were well received by the audience. The three Richardson Sisters in a singing and acrobatic dancing act complete the bill. These three young women are artists in their line and we have never seen performers put as much "pop" into an act as they put into theirs Friday afternoon. They have a great finale and it brought down the house.

ON ACCOUNT OF

LINCOLN AND OSBORNE

D. W. Osborne was strutting about yesterday. When asked by a Journal reporter for a reason he said that the banks would be closed today on account of his birthday and that of Abraham Lincoln. It seems that Mr. Osborne's birthday falls on the same day as that of the great emancipator.

Horace Warner of Springfield was among the transient population of the city yesterday.

GREENE COUNTY FARMERS HOLD PROFITABLE MEETING

Similar Gatherings Will be Held in Different Cities and Towns of the County During Coming Months.

Roadhouse, Feb. 11.—Following the general trend of the successful corn growers and dairy men of the eastern portion of the state, the business men and farmers of Greene county, arranged matters some time ago with the A. Laval Separator company to give a practical demonstration of corn growing, the products and general results of the same by experienced men who have dealt with this problem for a number of years. Mr. C. L. Turner, who spoke in the morning at Dreamland theater demonstrated to the audience the natural increase of corn to the acre when treated by the proper process of soil fertility, scoring a superior sample of corn against one of the common variety. Mr. Turner in closing his discourse prevailed upon the younger generation to raise more corn and try for a better variety of seeds.

The afternoon session opened with Mr. D. L. Harcourt, also of the De Laval company, whose stereopticon views upon dairy farming were indeed timely and held many lessons in detail for the dairy man who wishes to build up the dairy herd by succession of proper breeding. His lecture, with the different views, showed plainly the difficulty and hardships of the dairy man to accomplish this result by inferior breeding of both dairy and beef cattle. A fair per cent of the farmers adjacent to the city attended the meeting and much interest was manifested by all present.

These meetings will take place consecutively in the different cities and towns of this county and will be governed according to rules and regulations adopted by the Greene County Farmers' Club. It is generally supposed at this time, that several corn clubs will be organized by the farmer boys throughout the county for competition of prizes in the Corn Carnival that is held each year in this city. Prizes will be awarded according to the grade and yield of corn in the county for the coming season. So far the subject has not been mentioned, but it is likely that a county agricultural expert will be appointed to ascertain facts and figure, pertaining to the production of the best corn grown in this section of the state.

MARKET.

The Aid Society of Point church will hold a market at Dorward's, West State street, Saturday, Feb. 12, commencing at 12 o'clock.

REVIVAL SERVICES

AT LITERBERRY. The revival services which started at the Christian church in Literberry this week have been well attended. They are being conducted by the Rev. Mr. Hole of Indiana. There will be no services this evening. Regular services will be held Sunday with preaching by the evangelist at 11 a. m. and 7:00 p. m. Sunday school will be at the usual hour, 9:30 a. m. The Rev. Mr. Hole will preach at Oak Ridge Sunday afternoon and there will be no services at Berea church on account of the revival. The services will continue during the coming week beginning each evening at 7:15.

SCHOOL OFFICERS

WILL MEET TODAY. Following a series of conferences thruout the county on special subjects of interest to school officials, a general meeting of this district will be held this afternoon at 1 o'clock in the Court house. It is expected that many will be in attendance from other districts. The meeting will be Round Table style, with Supt. H. H. Vasconcellos as leader.

Thursday Supt. Vasconcellos held a very profitable session in Meredosa and yesterday a meeting was held in Franklin and was well attended.

GAVE PAPER ON "PNEUMONIA."

Dr. T. J. Pinner returned Friday from Carrollton, where he attended a meeting of the Greene County Medical society. Dr. Pinner read a paper on "Pneumonia."
